

ST PATRICKS COLLEGE

60 Park Parade, Shorncliffe

SPC Half Season Cricket was founded in 2005 by a small but dedicated group of volunteer parents who wanted to provide the young men of St Patricks College the opportunity to play at club level as a "Paddy's Boy". The emphasis of SPC Half Season Cricket is mateship, development of cricket skills and enjoyment. From this platform the players are better prepared to compete at College cricket in Term 1.

Through the dedication of volunteer coaches, managers, scorers, parents and players SPC Half Season Cricket has achieved five (5) Premierships - 2009 U15s; 2010 U14s; 2013 undefeated U12s and Div 3B Open; 2014 Division 1 Open and undefeated U12s; 2015 undefeated U12s; 2016 U13s.

All the best for the coming season to the BNJCA, all teams and players. "*Certa Bonum Certamen*"
