We welcome back all our players from last season and those new to the HAWKS in the 2018/2019 season. The Albany Creek Cricket Club has nominated 37 teams including one team in the All Girls Competition. Our website www.albanycreekcricketclub.com has a lot of information about our Club and we invite you to take a visit. The HAWKS are excited to be again hosting the Super Sixes at South Pine this season and will have full canteen facilities operating on Friday nights.

The HAWKS, will continue to strive to offer our young players the chance to learn cricket skills and practice good sportsmanship. We take this opportunity to acknowledge the valued assistance from BNJCA, our sponsors, parents and supporters and are encouraged by so many coming on board again this year and a special thanks to those listed below.

The following teams have been nominated for 2018/2019
