

ST PATRICK'S COLLEGE

60 Park Parade, Shorncliffe

Playing fields: Curlew Park, Rainbow Street, Sandgate

SPC "Half Season" Cricket was founded in 2005 by a group of volunteer parents who wanted to provide the young men of St Patrick's College the opportunity to play at club level as a "Paddy's Boy". The emphasis of SPC Half Season Cricket is mateship, development of cricket skills and enjoyment. From this platform the players are more prepared to compete at College cricket in Term 1.

Through the dedication of volunteer coaches, managers, scorers, parents and players SPC Half Season Cricket has achieved **six (6) Premierships** - 2009 U15s; 2010 U14s; 2013 undefeated U12s and Div 3B Open; 2014 Division 1 Open and undefeated U12s; 2015 undefeated U12s, 2016 U13s Premiers, 2017 U14s Premiers.

All the best for the coming season to the BNJCA, all teams and players. **"Certa Bonum Certamen"**
