## ATTENDANCE AT DELEGATE MEETINGS

I have raised the subject of attendance at meetings a number of times. Regrettably there continues to be Affiliates who, from August 11 last year to July 12 this year, are not represented by at least 1 Delegate at each of our 9 meetings. We look forward to an improved attendance record in 2012-2013 season by those clubs towards the bottom of the table below.

The Attendance Record for 2011-12, including Committee, Delegates and QCA reps is:

President	9	Albany Creek	9	Redcliffe City	6
Vice President	8	Sandgate-Redcliffe	9	St Dymphna's School	6
Secretary	8	St. Paul's School	9	Marist College	5
Treasurer	5	Toombul	9	Everton	4
Committee	9	Wilston-Norths	9	St. Patrick's College	4
Committee	8	Pine Rivers	8	The Lakes	3
Committee	3	Ferry Fireballs	7	Bald Hills Lawnton	1
QCA rep	5	Valley	7	Bracken Ridge	1

## President's 2011-12 report

For junior cricket there are 12 Zones that make up the State of Queensland. Our Zone Brisbane North is the largest, being twice the size of any other Zone. In Season 2011 / 2012 we had 16 affiliate Clubs, our competition consisted of 247 teams ranging from Under 8s to Under 17s, thereby giving some 2600 girls and boys the opportunity to participate in an organised competition playing our great game of cricket.

These participation numbers would not be possible without all the hard working affiliated Club Committees and their band of volunteers that give of their time to ensure all our young cricketers enjoy their chosen summer sport. On behalf of the community and players - congratulations to you all and thank you.

This season the Association introduced "Super Sixes" – a six a side game played under lights on a Friday night using white balls for our Under 8s and Under 9s at the Valley and Albany Creek venues. From the feedback received it was most successful.

In an Association as large as ours with its many complexities there are many people to thank who give of their time to coordinate all the events and ensure that everything throughout the season runs smoothly. To all members of BNJCA Management Committee and the Delegate body for all your support and enthusiasm throughout the season, thank you.

To our draw Chairman Mr Bruce Boland, and his assistants well done on putting together the season draw, a very onerous task. To the Draw Committee's credit they once again worked it all out and all our games were able to be played as scheduled.

To Mr Gary Somerville who this season did so excellently in the role of coordinating the Under 14 Anstey/La Frantz competition, excellent work, well done, thanks Gary. Thank you to Keith Dudgeon at KD Sports for his sponsorship of the match balls. Congratulations to the season winners, the Devils catchment coached by Ian Rushton.

We had a successful Representative season with our Under 13s (at the Gold Coast), winning the Intra-State Championships. In the Development Carnivals the Under 14s development team won at the Sunshine Coast. In a first ever our Under 13 Development team that went to Ballina in the New South Wales Under 13 Competition finished third out of a pool of sixteen teams. Be rest assured that is an excellent result as the team plays against top NSW district teams. All our other age teams performed extremely well and were very competitive in their competitions.

Our Under 12 Healy Cup Development Carnival held in January was won for the first time by Ipswich. This Carnival is very popular with a team even coming down from Cricket Far North.

Our BNJCA Spirit of Cricket Award this season was awarded to Jake Menot. Justly deserved. He plays the game in the true spirit of the game. Congratulations Jake.

With this season over we now start planning and look forward to a new season with some changes to be introduced to our competition at the higher age levels.

Ian Reeves  
PRESIDENT

## Vice President and Draw Committee 2011-12 report

Unfortunately we had a terrible start to the season with the first 2 weekends being affected by rain with very few games played. The start of the second half of the season was even worse when we had one washout Saturday in January and another in February where BNJCA reluctantly had to cancel all games because of the condition of grounds across the zone.

During the playing season we also had a few changes through last minute ground unavailability, but these are unavoidable and are just part of playing cricket in summer. The pleasing thing was, to my knowledge, no games were changed because of draw double-ups.

Over the past few seasons, nearly every available turf and synthetic ground has been in use in the pre-Christmas period for the U12-U17 age groups. This year at one stage we had no U14-U17 ovals spare and some games could not be played when turf wickets were unavailable. We again had U14 half season games played in the afternoon as we had run out of suitable fields for morning use. One thing is certain though; we need to demand that our local councils make land developers build sporting ovals, suitable for ball sports, to encourage the playing of junior sport.

Friday night games under lights at Valleys were expanded this year to include Albany Creek Cricket Club at Brendale for U8 & U9 and we have continued to have positive feedback, both from parents and the clubs involved. We expect expansion to other clubs in the future.

BNJCA welcomed the introduction of 6 Marist College teams in the second half of the season this year and they were merged into the U13, U14 and U15 draws. The splitting of the season into 2 halves next season will facilitate new teams coming into the competitive competitions and it will be an interesting task for the Draw Committee.

We trialled the use of MyCricket for the U13-U17 abstracts this year and to say it was less than successful is an understatement. Clubs need to ensure the scorebooks are completed accurately and signed off by their opposition, with both teams agreeing on the result before the scorers leave the ground. Teams must then input the full game statistics after each game, with player scores and achievements. There was a lengthy delay in published player stats and Premierships this year because of missing information in MyCricket and many thanks to John Powell for his work in following up the missing information and extracting the stats from MyCricket.

Thank you to the many state schools who allowed us to use their grounds during the season, but there is still a concern about the way the State Department of Education is heading. They are permitting the sports curriculum to be just an "option" and with the associated loss of sporting ovals through this changed emphasis and the construction of buildings taking over the ovals, we are losing valuable 'green space' which will never be recovered.

I would also like to express our appreciation for the support from the Warehouse Association, District Cricket clubs north of the river and a number of private schools who all make ovals available for us to use, as many of our games would not have been possible without it.

Finally thanks to Glyn Netto for his Draw assistance and my fellow committee members for their support during the year.

Bruce Boland  
VICE-PRESIDENT

## Treasurer's report

The Association is in a sound financial position, despite a small loss. We had a reasonably large outlay in grants this year which affected the bottom line. Our Sundry costs have also been broken down further this year to reflect actual identifiable expenditure. Your Committee has endeavoured to reduce costs by starting an electronic Allrounder next year and by getting our other printing expenditure down to a minimum. We will also undertake a review of our other costs such as clothing and general administration.

## Anstey La Frantz Co-Ordinator's report

The Anstey La Frantz Shield aims to replicate an environment similar to what exists at both representative level and at Senior Grade level. In addition to a stronger level of competition, players are also educated to the standards and etiquette of the game that will be expected of them over the coming years.

Since its inception in 2007, the concept has grown to become one of the most popular competitions for players, coaches and parents. I can honestly say that the standard of competition is comparative to many games at the State Championship level, and this season we were witness to some great games of cricket, played in a very competitive spirit.

The below were the agreed catchments for the 2011/12 competition.

	<i>Team Name</i>	<i>2011 / 12 Catchment Clubs</i>
Team 1	Bushrangers	Valleys
Team 2	Dolphins	Sandgate Redcliffe, Redcliffe City, St Pauls Bald Hills Lawnton
Team 3	Lions	Valleys
Team 4	Redbacks	Everton, Ferny, Valleys
Team 5	Tigers	Albany Creek, Pine Rivers
Team 6	Devils	Wilston North, Toombul, St Patricks

Congratulation to the Devils, who went through the season undefeated, and were crowned the ALF champions for this season. With one catchment winning all five games, and another one not winning any, you may question the evenness of the competition if you were to only look at the end of season ladder. But the truth was very different, and for those of us who saw the games, it was fantastic to see the high level of competition on display.

A huge thank you to Keith Dudgeon at KD Sports, for his generous sponsorship of the match balls. We also appreciate those clubs who allowed us to hire their ovals at reduced ground fees. To play games on the main ovals at senior club venues is a great thrill for U/14s, and we received strong support this year from Valleys, Pine Rivers, Toombul, Sandgate Redcliffe and Norths. This type of sponsorship and support allows player fees to be kept to a minimum, which helps ensure more players and their families can participate in this type of competition.

I would also personally like to thank Ross Howard (umpires), Glyn Netto (grounds) and Ian Rushton (MyCricket) for their time and collective assistance to the success of this season's program.

Brisbane North Junior Cricket Association Inc  
Independent Auditor's Report  
30 June 2012

AUDIT & ASSURANCE

**Independent Auditor's Report**

To the members of Brisbane North Junior Cricket Association Inc

**Report on the Financial Report**

We have audited the accompanying financial report of Brisbane North Junior Cricket Association Inc, which comprises the statement of financial position as at 30 June 2012, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and Statement by members of the committee.

*Management's Responsibility for the Financial Report*

Management is responsible for the preparation of the financial report that gives a true and fair view in accordance with Associations Incorporations Act (QLD) 1981 (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2007, and for such internal control as management determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Notes to the Financial Statements

For the Year Ended 30 June 2012

The financial report covers Brisbane North Junior Cricket Association Inc as an individual entity. BNJCA Inc is a not-for-profit association incorporated in Queensland under the *Associations Incorporations Act (QLD) 1981*.

### 1 Summary of Significant Accounting Policies

#### (a) Basis of preparation

The financial statements are a general purpose financial statements that has been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Associations Incorporation Act (QLD) 1981*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### (b) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### (c) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of selling expenses.

#### (d) Property, plant and equipment

##### Plant and equipment

Plant and equipment are measured on the cost basis. Cost includes expenditure that is directly attributable to the asset.

##### Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over the asset's useful life to the association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Plant and Equipment	10% - 20%
Office Equipment	10% - 50%

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

#### (e) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less which are convertible to a known amount of cash and subject to an insignificant risk of change in value, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

#### (f) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### (g) Income tax

The association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

#### (h) Revenue and other income

The association recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of Brisbane North Junior Cricket Association Inc's activities as discussed below.

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

##### Donations

Donations and bequests are recognised as revenue when received.

##### Interest revenue

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

#### (i) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST

incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.
