

# EDITING AFTER A GAME

Scores can always be edited after the game by the Association or Club admins (provided the Association has provided Clubs permission to enter scores for that grade)

**Tip:** Do not edit game whilst the game is still in progress, as you will no longer be able to continue e-scoring.

This includes after Day 1 of a 2 day game. In this scenario, log back into e-score to make the adjustment

1. To edit results, go to Game Day, select the date and click details.

The screenshot shows the 'Games' section of the e-score system. The left sidebar contains navigation options: 'Using as Helpdesk Test Association', 'Competition Management', 'Game Day' (highlighted), 'Programs', 'Participants', and 'Permits'. The main content area has a date filter set to '12/09/2022'. Below the date are filters for 'All Game Statuses', 'All Grades', and 'All Venues', with a 'Reset' button. A table lists the game details:

TIME	VENUE/OVAL	HOME	SCORE	AWAY	GRADE	GAME ID
1:00PM	A,TH4/AJT3	U15 Mixed Cal Club Loss	5/100 : 6/101	U13 Mixed Test Win	Junior U15 Mixed	a75f80

A 'Details' button is located to the right of the game ID.
