

Using a FairPlay Voucher for Payment of Registration

Note: The following information relates to the process in PlayHQ. You will still need to scan a copy of the FairPlay voucher and send it through to your club so they can redeem it with the relevant Government Body.

If you have a FairPlay Voucher, you select the product you require and then in the **Payment & Summary** section, click on **I have a government voucher**.

You then need to select **FairPlay Voucher (QLD)** from the drop-down list, enter the **Voucher Number** and click **Apply**.

A screenshot of a web form titled "Government Vouchers". It features a dropdown menu with the text "Select voucher type" and "FairPlay Voucher (QLD)" selected. Below the dropdown is a text input field labeled "Enter a voucher code" and an "Apply" button. At the bottom, there is an information icon and a note: "You may be required to provide a copy of your voucher to the organisations where discounts have been applied."

The voucher will then be applied to the **Association Player Registration Fee**.
