## Appreciation of Outstanding Service Awards

### Mr David Walker - Statistician

David was the Recording Officer for Valleys/Norths since 1979 and then continued on with his statistician's role with Brisbane North Junior Cricket Association after the restructure in 1998.

He looked after all of our stats for U11 to U16 for 14 years and then in 2012 we moved to using MyCricket to record game results and player stats for ages U13 to U16. He continued with U11 and U12 games up until 2013.

This year was his last year for doing the stats, a total of 16 years for BNJCA as we have now moved the U11 & U12 age groups on to MyCricket as well.

Brisbane North Junior Cricket Association wishes to thank David for his magnificent work over all these years. He has already had his Life Membership of Brisbane North Junior Cricket Association recognised back in 1998 when the Zones were amalgamated. He was awarded the Australian Sports Medal in 2000 for his services to Sport.

## Mr Bruce Boland – Queensland Junior Cricket

This award was presented to the BNJCA Secretary, Bruce Boland, by Queensland Junior Cricket President, Mr. George Watkin at the Trophy Night held at Aspley State High School 2014.

This was in recognition of the work done by Bruce in organising and running the U16 State Championships at Brisbane Grammar grounds Northgate in December each year on behalf of QJC & BNJCA and his services to junior cricket generally with the Albany Creek Cricket Club and with the Brisbane North Junior Cricket Association.

## President's 2013-14 report

Congratulations to all the people involved in some capacity with us at the Brisbane North Junior Cricket Association. Whether it be as a delegate, a committee person, a coach, a team manager, an umpire or a scorer your contribution is invaluable to the successful operation of our Association. Once again the playing numbers increased from the previous season. We had 266 teams up from the 248 that we had last season. As has been stated on numerous occasions previously the contribution of our huge numbers of volunteers enables Brisbane North to provide

the community with the service it deserves, as it does take a huge input of time and effort from many volunteers. So thank you to each and every one of you that ensures that everything throughout the season runs smoothly.

Thank you to our major sponsor Keith Dudgeon of KD Sports for the Cricket Ball sponsorship and for sponsoring the Premiership caps in the Anstey La Frantz competition. In a very close competition, a real nail biter, the ALF winners, by 0.13 were the Devils catchment coached by Scott McSweeney. Congratulations to you all. The ALF is growing from strength to strength and the players coming through the age groups cannot wait to be involved in this competition.

Also this season saw the introduction of the Reevesie Cup for the Under 15 Age Group and run on similar lines to the ALF but with only 4 catchments competing. Inaugural winners were the Lions catchment coached by Jim Whyte. Congratulations to Jim and his team. Once again a huge thank you to our major sponsor Keith Dudgeon of KD Sports for the Cricket Ball sponsorship and for sponsoring the Premiership caps.

Thank you to our Secretary Bruce Boland for his dedication and effort in ensuring the smooth running of the Association. Bruce also is responsible for producing the Draw, is our Webmaster and the QJC Under 16 Championships Coordinator and many more roles. This man gets through a mountain of work. Congratulations to Steve Casey, from Albany Creek Cricket Club on his election to Life Membership of the Association, justly deserved for the many hours he puts into Junior Cricket and the running of the Healy Cup Under 12 Development Carnival each year. To our co-founder and Patron, Mr Errold La Frantz M.B.E. who has turned 95 this year, thank you for your active participation.

Our Club Champions were Wilston-North with Everton runners up. Congratulations to both Clubs on the outstanding performances of their teams throughout the grades. Congratulations to all the Premiership winners and all the Award winners. Also our thanks to Mr David Walker our U11/12 Zone Recorder/Statistician, who for many years has performed this role, for his diligent work in producing the Premiership results along with the players' season averages.

We at Brisbane North are most fortunate to have an excellent group of people on our Management Committee and a very active and strong body of Delegates to ensure the Association continues to provide the service that our client base desire and deserve.

This season saw the introduction of a new set of Representative Clothing along with travel clothing and backpacks. On the front of the new Representative Cricket playing shirt we have retained the BNJCA logo and the motif that was introduced in Season 2007-2008 and symbolises the origin of the BNJCA.

At the 2013 Queensland Junior Cricket Intra-State Age Championships in December it was another fabulous season of success for our young Representative cricketers. Brisbane North won 3 out of the 5 Age Groups - the Under 13s, the Under 14s (Coached by Gary Somerville) and the Under 16s. A special mention to our Under 16 Representatives and their Coach Brett Hutton - the Under 16 age group is a most difficult age group to win as the Championship week is made up of four 50 over games and two T20 games tucked in the middle of the week on the Wednesday. Consequently there are some real

mental issues to overcome for the players to switch from one game format to another within the 5 days. We also had success with our Under 14 Blue Development team (Coached by Craig Smith) who won the Sunshine Coast Under 14 Development Carnival and the Under 15 Development team (Coached by Bryan Hadden) won the Southern Skies competition. What an outstanding effort from all our young rep cricketers.

The Association hopes that you all continue to enjoy your participation as we are only there for all our young aspiring cricketers, for them to enjoy the game, learn some life skills and to hopefully assist in helping their dreams come true.

Ian Reeves

## Draw Committee 2013-14 report

We again had an increase in cricket player numbers this year. Back in 2005 we had 201 teams nominated and this year we had a record 266 teams. With the Australian home-based Ashes series wins this season and the wins in South African as well, it is likely that it will further promote interest in children playing junior cricket.

With great support and cooperation from all our clubs, the draw process worked smoothly. Thanks to everyone who contributed.

The 2 separate competitions, Pre and Post Xmas, were run again this year. This went well and reflected the huge difference in participation numbers that many clubs have in the 2 separate competitions. This is mainly caused by players who attend private schools where there is an expectation of the cricketers playing for their school on a Saturday in Term 1 after Xmas. Examples of the large difference in playing numbers Pre and Post Xmas are: Valleys had 18 teams in the Pre Xmas Premiership competitions and dropped to 2 teams in the Post Xmas Premiership competitions, Wilston North had 11 and dropped to 1, St Patricks went from 14 teams to 0, Toombul had 9 teams and dropped to 0, however Albany Creek Cricket Club had 8 teams and only dropped to 6, Redcliffe went from 4 to 3 and Pine Rivers had 4 and still had 4 teams after Xmas. By having 2 separate competitions it has meant that clubs like Pine Rivers, Redcliffe, Albany Creek and Ferny, who generally had most teams previously playing for the full season, now play against all clubs in the Pre Xmas competition rather than just teams from clubs who had full season teams.

We also amalgamated the three (3) Open divisions Pre Xmas, into one Division Post Xmas. The numbers had dropped from 24 teams Pre Xmas to 8 Post Xmas (see explanation above), and so this was deemed the best option. The competition for the Open division was also changed to a Super Eight concept, with 8 players in a team and only playing one dayers each week.

Unfortunately we had another rain affected season, where we lost one round on 30 November. Generally however the effects of rain was less than previous years and this was reflected in the big drop off in complaints I received about long grass on ovals.

The U14 age group was played in the afternoons this year and this will be the norm I think for the foreseeable future as the availability of our large ovals on agreeable terms (meaning at little or no cost) continues to decline. To date your Committee has failed to convince the State Government of the need to provide free access to State Government school ovals and to not sell off excess ovals as they close schools.

The Friday night Super Six competition played under lights for U8 & U9 continues to expand. Numbers increased from 51 teams (usually with 7 players per team) last year to 66 teams across all venues. These games are hosted by Valleys, Albany Creek and Toombul cricket clubs. The promising outcome has been a flow on increase in the number of U10 teams (with 11 players per team) from 34 last year to 39 this year.

We used MyCricket again to record the U13 to Open abstracts and there was far less problems this year. The Anstey La Frantz and Reevesie cup competitions were run on selected Sundays and we managed to get these games onto MyCricket to enable reporting of the results. Thanks to Ian Rushton for his efforts in getting MyCricket glitches sorted out during the season.

The reporting of games in the Sunday Mail was a debacle this year. We were advised by Qld Cricket, just prior to the season commencing, that The Sunday Mail will be making the copytakers redundant and therefore they would cease to take phone calls with Saturday's results. As a consequence, the paper would not be publishing the game results unless it was via one combined email for all of BNJCA. This would be an impossibility to combine approximately 130 games each week into one email. In reality though, nothing changed at all at The Sunday Mail and coaches and managers continued to phone in results and they were printed as usual. We are no further advanced in sorting out this potential problem and have not had any detailed response from Qld Cricket or The Sunday Mail.

Thank you to the many state schools who allowed us to use their grounds during the season. I would also like to express our appreciation for the continuing support from the Brisbane City Council, Moreton Bay Regional Council, the Warehouse Association, District Cricket Clubs north of the river and a number of private schools who all make ovals available for us to use. BNJCA could not operate such a large a competition with 266 teams utilising 123 grounds without this support.

Finally thanks to Glyn Netto for his Draw assistance, David Walker for the U11/12 stats, Bryan Hessey and Geoff Cowles for their input to the Rules, Ian Rushton for MyCricket support and my fellow committee members for their tolerance during the year.

Bruce Boland Chairman,  
Draw Committee

## Grants Committee 2013-14 report

This year I have included a summary of the grants issued to clubs for pitch repair/replacement. Each year Brisbane North Junior Cricket Association provides subsidy to affiliated clubs, to assist in ensuring that grounds that are used by the Zone, are kept in a safe and useable condition. The Grants Policy and application form are available for downloading from the website [www.bnjca.org.au](http://www.bnjca.org.au)

The following grants were provided to affiliated clubs in 2013-14:

Valley DCC	\$1,755 for Corbie Park
Wilston North JCC	\$3,450 for Shaw Rd
Ferny DCC	\$1,645 for Ferny Reserve
Pine Rivers CC	\$4,815 for Jack Gilliland oval

Grants total           **\$11,665**

Bruce Boland Chairman, Grants Committee

## Clothing and Equipment Co-ordinator's report

This year we embarked on the updating of our clothing and equipment to further enhance the experience of representative cricket and to ensure that Brisbane North was keeping up with the latest advances and providing a quality product at the most cost effective level.

After obtaining tenders from suppliers, we awarded a clothing contract to EMU Sportswear, who are a part of the Fourrex Clothing Company, which is Queensland born and bred. We have had very positive feedback from Players and Officials alike on the new clothing, from the style and colours to the ease of washing and drying.

We added a travel shirt and travel cap to the items supplied to each representative player this year as well as an option to order long sleeves on the playing shirts. The long sleeves were mainly available for wicket keepers but other players could request one when ordering.

We also introduced an Official's shirt and a Committee member's shirt. The player travel shirt, the Officials shirt and the Committee shirt are different colours within the same design, thereby linking in our "Brand" throughout the new range of clothing. We also included Maroon and Gold BNJCA logoed jackets this year which were available for purchase by Officials. Colour photos of all the new clothing and equipment are in the middle of this Annual Report.

The clothing incorporates the colours of the original 3 amalgamated zones from which Brisbane North was formed, in the form of 3 lines on the front of the shirt.

We made arrangements with Qld Cricket to have some of the old style clothing delivered to community groups. This included those assisted by the Red Cross and Salvation Army, as well as groups looked after by Access Community Services and Reclink Australia, whose mission is to provide sporting, social and health activities to enhance the lives of thousands of Australians experiencing social isolation and disadvantage. Many of the groups assisted are refugees and asylum seekers. The geographical areas covered by the distribution were Logan, Ipswich, Toowoomba and inner Brisbane. The backgrounds of recipients were very diverse including people from Afghanistan, India, Pakistan, Sri Lanka and parts of Africa to name a few. I wonder what they thought when they received their Brisbane North playing shirt and shorts?

Another tender was let for wheeled gear bags and this was awarded to KD Sports. The new gear bags have 3 wheels, making them far more stable than the old 2 wheeled model and an extendable luggage handle for ease of manoeuvring in airport terminals and buildings. They are bigger and have more pockets than the previous bag, including a zipped valuables pocket inside.

The Management Committee made the decision that all players must have a Brisbane North Junior Cricket Association approved wheeled gear bag and only these were allowed to be taken away to the Championships and Development carnivals.

We also took on board the suggestion from previous players and introduced a colour co-ordinated backpack for the players to store their personal items when away at their carnivals.

## Brisbane North Junior Cricket Association History of Affiliation fees charged

2005-2006	\$165/team incl gst
2006-2007	\$170/team incl gst
2007-2008	\$175/team incl gst

2009-2010	\$185/team incl gst
2010-2011	\$185/team incl gst & Super Six \$120/team incl gst
2011-2012	\$190/team incl gst & Super Six \$125/team incl gst
2012-2013	\$190/team incl gst & Super Six \$125/team incl gst
2013-2014	\$200/team incl gst & Super Six \$130/team incl gst
2014-2015	\$25/player incl gst & Super Six \$17.50/player incl gst

Next season, because of the use made of MyCricket by clubs, we are changing the way we levy our fees, from a team basis to a player basis. As each player at a club has to be registered on MyCricket for insurance purposes, we can get an accurate measure of player registrations for each club. When compared to other main stream sports, the player fee charged by your Association to pay for the administration of junior cricket for a season is an inexpensive alternative.

Brisbane North Junior Cricket Association player fees are used to run your Association, which has a turnover of \$1.132 million dollars per year through its accounts. An organization this size is more akin to a business than a small sporting club and it is essential that the Management Committee and Delegates have this in mind when decisions are made. The fees are used in the following activities:

- They are given out as grants to be used by clubs for pitch and oval construction and repair within the grant guidelines
- Paying for the administration costs of the Association for items such as computers, paper, printers, toner and the like
- Full and proper auditing of our records to achieve transparent running of the Association
- Ensuring that we are complying with all levels of Government rules and regulations
- Paying honorariums to the Secretary, Clothing co-ordinator, Treasurer and Statistician
- Paying for website, domain names, hosting and updating of information
- Funding the Under 16 State Championships and its costs like oval hire, umpires, lunches, organiser payments, accommodation, transport, cricket gear, etc.
- Funding flight costs and venue costs for State Age Championships, many months in advance of cost retrieval from players.
- Pre-ordering of representative clothing and the holding of appropriate stock
- Ensuring we have officials and equipment for trials and paying for oval use
- Purchasing of trophies awarded every year
- Hire of halls for various presentation nights
- The setting up of the Draws twice a season
- Payments to councils for oval use
- Printing of Rule books, Coach handbooks, Annual Reports
- We are planning on a future building for the Association. This will involve possible start-up costs and then on-going maintenance and the provision of basics such as electricity and water.

In all the above outgoings of your Association, costs are climbing and we must be in a position where we are able to properly support all our cricketers and not be underfunded. We have actively undertaken a thorough review of our costs over the past 2 years and savings made have meant fee increases have been minimal.

## **AFFILIATION FEES FOR 2013/14:**

Team levies can be imposed under the Constitution, as part of the day to day running of the Association and do not have to be done at the AGM as they are not technically a Club Membership or Club Affiliation fee. We set the team levies this year at the July Delegates meeting. By doing this, it allowed us to

advise clubs earlier of the costs before their club player registration started in August and this will be done at this time in future.

However, under our constitution, we must set a Club Affiliation or Club Membership fee at the AGM. Therefore it was moved that Brisbane North Junior Cricket Association set a yearly Club Affiliation/Membership fee of \$1 per club.

Moved: Bruce Boland  
Seconded: Gary Somerville  
**CARRIED**

**MEETING CLOSED:** 7.28 pm

One printed copy of the Annual Report per club was available to Delegates who were at the Annual General Meeting. The Management Committee has resolved not to print multiple copies of the Annual Report, but rather, to host it on the Brisbane North Junior Cricket Association web site for all members to read at [www.bnjca.org.au](http://www.bnjca.org.au). Should members not have access to a web browser and they wish to review the reports and read the Financial Statements please contact the Secretary.

# The Spirit of Cricket Award

## The Spirit of Cricket Award

*Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The Spirit of the Game involves respect for:*

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

The BNJCA supports the Spirit of Cricket, as embodied in the preamble to the Laws of Cricket, in a tangible way with a Spirit of Cricket Award. The Association accepts nominations from clubs for a player displaying the true spirit, traditions, and values of cricket. The player must be playing in a BNJCA competition. This award does not apply to adults.

In order for a club to nominate a player, the action must be at the player's instigation, not a result of an adult's intervention. The nomination can come from anyone involved in the game; other players, umpire, coach or spectators, but must be made through the affiliated club of the nominating person.

MSW was very grateful when 4 players, **Jed Havukainen, Rory Livingstone, Laurence Bristow and Mitchell Farley** made themselves available and were included in the MSW U16 Championship team. MSW generously gave the boys two playing shirts, two training shirts, two shorts, a hat and a cap at no charge. These players performed very well as part of the MSW team and even played BN during the competition.

## 2013-14 Anstey La Frantz Shield

### Co-ordinator's report

The Anstey La Frantz Shield aims to replicate an environment similar to what exists at both representative level and at Senior Grade level. In addition to a stronger level of competition, players are also educated to the standards and etiquette of the game that will be expected of them over the coming years.

The concept has grown, since its inception in 2007, to become one of the most popular Sunday competitions for players, coaches and parents. The standard of competition and skill is at least the equal of most games at the State Championship level, and again this season we were witness to some great games of cricket, played in a very competitive spirit. This competition was part of the Season Review Sub-Committee's 'terms of reference' and recommendations for next season are that U15 players will replace U13 players and a new Sunday competition for U13 players will be run in a similar manner.

The below were the agreed catchments for the season's competition.

	<b>Team Name</b>	<b>Catchment Clubs</b>	<b>Coached By</b>
Team 1	Bushrangers	Wilston Norths	Tony Bath
Team 2	Dolphins	Sandgate Redcliffe, Redcliffe City, St Patricks, St Pauls	Barry Smith
Team 3	Lions	Valleys	Scott Martin
Team 4	Redbacks	Toombul, Valleys, Ferny	Grant Hastie
Team 5	Tigers	Albany Creek, Pine Rivers	Dale Sherwood
<b>Team 6</b>	<b>Devils</b>	<b>Wilston North</b>	<b>Scott McSweeney</b>

With all the finals round games being hosted at Norths grounds it was a great final day. Congratulations to the **Devils**, who came through on the day to win the title by the smallest of margins, only .13 of a point.

## Reevesie Cup

### Co-ordinator's report 2013-14

Based on the success and popularity of the U14 Anstey La Frantz Shield competition, a new U15 competition, called the Reevesie Cup, based on similar format and principals was instigated this season. This competition was named after our President, in recognition of all the work he has done over his years at Brisbane North.

The playing conditions and format were the same as the current U15 QJC Championship rules and conditions. It aimed to replicate an environment similar to what exists at both representative level and at Senior Grade level.

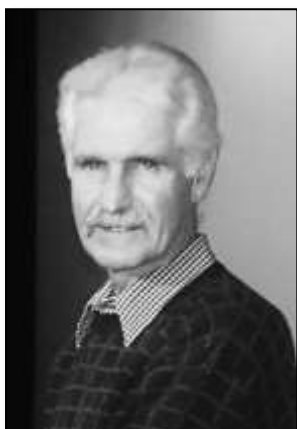

This competition also formed a part of the BNJCA U15 Representative Selection process with a player being required to play at least one game in the either this U15 competition or in the U16 Lord Taverners competition to be considered for selection. This competition was exclusive to U15 aged players.

The inaugural competition was won by the **Lions** catchment.

Team	Catchment Clubs	Coached by
Dolphins	Sandgate, Redcliffe, Pine Rivers, St Patricks, St Pauls	Bryan Hadden
Lions	Valleys	Jim Whyte
Devils	Wilston North	Tracey Nugent
Redbacks	Toombul, Albany Creek, Everton, Ferny	Brett Chaffey, Michael Futchner

We had a number of teething problems at the beginning of this competition and BNJCA accepts the criticism for a lack of timely communication which caused a few early concerns in getting the competition underway. Lessons were learned from this and we are working to ensure this isn't repeated in the future. This competition was included as part of the 2013-14 Season Review 'terms of reference' and recommendations have been made to the Management Committee about its effectiveness in fulfilling its objectives and what changes are needed to be to improve the competition. The changes will be implemented for next season. This competition to be for solely U13 players next season.

I would like to thank Ross Howard (umpires), Glyn Netto (grounds), Steve Farley (organisation) and Ian Rushton (MyCricket) for their time and contribution to the eventual success of this season's program.

Keith Dudgeon has been a sponsor for the Anstey La Frantz shield since the competition commenced in 2007 and now also is also the sponsor of the Reevesie Cup. He supplies the balls for all the games and also the winning teams with their baggy caps.

Please show your thanks and support by visiting KD Sports for your cricket needs.

Ian Reeves
