President's 2015-16 report

We had a very successful season 2015-2016 and thanks must go to all the affiliated Clubs, their Committees and the host of volunteers who gave of their time to ensure that the operation of the Brisbane North Junior Cricket Association season was again successful in its endeavours to provide the community with the very best organised cricket competition.

There is no doubt that the introduction of our "Super Sixes" game format in Season 2011 has contributed to our growth. We increased player and team numbers this season by about 25%.

It certainly gave our Draw Committee some headaches trying to put the draw together for the first half of the season. But as always, they succeeded in getting the draw done, so everyone was able to get on the park and play. Extremely well done to the Draw Committee.

It is fitting that we should take a breath and look at our Association and its progress over the past years, not just highlighting the increase in the number of teams and players but also other aspects of our Association. To achieve this, we conducted a survey of our Client base. Some of the feedback from the survey has been very complimentary as to how the Association is administered and the progressive nature of the Management Committee. We thank the respondents for their feedback and also for their positive constructive criticism with many good recommendations being received.

However it became apparent that there are still a few people who do not understand some of our processes, with comments regarding the selection of our Representative teams being the main misunderstanding. In response to this subject I offer the following clarification. Firstly, our selection of teams is done by independent selectors (the selector does not have a child in the age group that he or she is selecting for). Secondly, some respondents have commented that once a player has been selected in Under 12s then those players are always selected in the teams in the following years, right through the age groups. These respondents can see for themselves, by accessing the BNJCA website and reading the Annual Reports, that their statements are not factual; the Representative teams change considerably across the age groups from season to season.

In relation to the survey, at the end of each season we also have an appointed sub-committee that does a Season Review and the comments from the survey are taken into account to determine if we need to make any changes. So again we thank those people who have responded to our survey, it is very much appreciated.

We had a very successful Representative season over the Christmas period with both our Under 14s at Mackay (Coach Bryan Hadden) and our Under 16s at East Brisbane (Coach John Powell) winning the Queensland Junior Cricket Intra-State Championships. The Under 15s Development team also won the Impact Challenge at BBC (Coach Greg Curtis). Congratulations to all our Representative players.

In our internal competitions, the Under 13 Reevesie Cup was won by the Heat coached by Matt Langley and the Under 14 Anstey/ La Frantz Shield, in a very tight competition, was won by the Redbacks, coached by James Durkin. We awarded the inaugural Bruce Boland Cup this season which is won by the Under 15 team with the highest points in the Pre Xmas competition. This went to Wilston North Gold. Congratulations to all our winning teams.

All members of our BNJCA Management Committee deserve your thanks for the way each of them has undertaken the work load required for them to perform their assigned portfolio, to ensure the Association is successful and continues to remain so. However a very special mention needs to be made of the dedication shown by our Secretary Bruce Boland, whose efforts on behalf of the Association are very much more than we could ever pay him. Bruce receives excellent support from his family but his interest in cricket and the Association drives him to perform miracles to ensure the Association continues to function. On your behalf I thank him for his dedication and many hours of work he gives to the BNJCA. To the Rules Committee and the Delegate Body, thank you for your contribution to the operation of the Association, which we are told, is regarded as the most successful in Queensland.

There will be much change again within the Association next season. We will persist in our efforts to ensure that the BNJCA continues to be regarded as the benchmark for all other associations and we will continue to strive to ensure that we give our players the best possible environment from which to develop their game and life skills.

PRESIDENT

Draw Committee Chairman's 2015-16 report

The deadline for team nominations in the Pre Xmas competition came along and I sat down and went through the numbers to allocate teams into draws. I was shocked to see an increase in Pre Xmas teams from 295 last year (player numbers 3,046) to a staggering 370 teams this year (player numbers 3,758). The increase was 75 teams or 712 players (about 25%). My first thought was, 'Where am I going to play everyone? I don't have enough grounds.'

When I looked into it a bit further, I was surprised to find that nearly all age groups had increases; no age group was down any teams at all. I expected Super Six in U8/U9 to have increases as there has been consistent growth in this age group since Super Six was introduced on Friday nights back in 2011. The Super Six numbers however still increased by 28 teams this year (165 players), approximately 30% more. Thankfully with North Lakes and Wilston North clubs introducing Super Six this year, in addition to Valleys, Albany Creek and Toombul clubs, the extra numbers were able to be catered for. Valleys were pro-active and worked to obtain an extra oval this year which allowed more players to participate in their area.

The flow on effect of the increase in Super Six numbers was expected in U10, U11 & U12 and these ages did increase by 10 teams (21%), 12 teams (32%) and 11 teams (34%) respectively. The really pleasing statistics however were the U14, U15 & Open team numbers, increasing by 3 teams (15%), 7 teams (44%) and 4 teams (29%) respectively. There was also an additional 136 new players across all age groups who joined clubs after Xmas, bringing the total number of players this season to 3,894, meaning BNJCA had a whopping 22% increase in player numbers over last year. My problem was now how to get the grounds for all these new cricketers to play on.

The Draw took nearly a week to do but with the addition of the 5 new ovals at Kalinga Park, Clayfield and some extra ovals in Moreton Bay Council area, the 12 to Open age groups were able to be catered for. The major grounds problem arose in the U10 and U11 age groups. With the 22 additional teams nominated, that meant an additional 11 grounds were needed and I didn't have enough suitable ovals left to get everyone on the park. I engaged in discussions with Valleys and Ambrose Treacy College to see what could be done with their U10 age group teams, as between them they had 25 teams and would play each other in the draws and there just wasn't another 11 ovals to use. My sincere thanks to both clubs for their understanding and positive approach, as we were able to come to a resolution of the problem. By both clubs filling all teams to capacity and by Ambrose Treacy College trialling a modified U10 game of 24 overs instead of 30, starting at 7.45am and finishing at 12.30pm, it enabled the playing of 2 games on a Saturday morning, thus doubling the utilisation of the grounds in their area. Using this strategy all teams were still able to play on Saturday morning. For the first time ever, I had no spare grounds to move a game.

Unfortunately we lost St Dymphnas as an affiliated club this year, reducing the affiliated clubs to 16. It highlighted the problem which afflicts some clubs where the running of the club falls on a key person and if that person finally moves on, the club has no one willing to step in to organise the club.

The 2 separate competitions, Pre and Post Xmas, were run again this year as it has proven to enable an efficient progression from high participation numbers before Xmas to much lower numbers after Xmas. The Pre Xmas U14 age group was played in the afternoons again this year due to oval availability. Fortunately we only lost one days play on 24 October due to rain. We lost some Super Six games due to lightning and storms in late January.

We continued the use of MyCricket to record the game results and player stats. Clubs need to increase pressure on their club members and officials to do the right thing by their players and enter game results and player stats in a timely manner. It has been constantly highlighted at every BNJCA meeting and is clearly stated in the rules that penalties apply for failure to comply with MyCricket statistics entry deadlines.

Thank you to the many state schools who allowed us to use their grounds during the season. I would also like to express our appreciation for the continuing support from the Brisbane City Council, Moreton Bay Regional Council, the Warehouse Cricket Association, District Cricket Clubs north of the river and a number of private schools who all make ovals available for us to use. BNJCA could not operate such a large a competition without their assistance.

Finally thanks to Glyn Netto for his Draw assistance, Geoff Cowles for his input to the Rules, Ian Rushton for MyCricket support and my fellow committee members for their tolerance during the year.

Bruce Boland, Chairman, Draw Committee

Clothing and Equipment Co-ordinator's report

This was the third year of use of the new clothing and equipment for representative cricket. The clothing incorporates the colours of the original 3 amalgamated zones from which Brisbane North was formed, in the form of 3 coloured lines, maroon, gold and blue, on the front of the shirt.

This year we introduced 2 pair of matching player pants as part of the rep player uniform, with maroon stripes down the leg and angled lines to match the shirts. Feedback has been very positive for this initiative. We also allowed players to reuse clothing so we can assess the longevity and hard-wearing characteristics of the new clothes and it should allow a cost saving for some parents.

Unfortunately, the Association is now at a crossroads with Representative clothing, because Queensland Cricket has now taken over the hosting of the U14 State championships in Brisbane and its new Talent Pathway for the U16 players means the U16 State Championships will no longer be held. We had no forewarning of these changes last year. Most large Qld Zone Associations are in a similar clothing situation of being stuck with stocks of large sized clothing. We are hoping to come to an arrangement with Queensland Cricket about this.

Bruce Boland
Clothing co-ordinator

Grounds Coordinator's 2015-16 report

With Brisbane North growing in team numbers, it is evident that Clubs in the inner CBD need to investigate and acquire enough grounds to fulfil their needs. Last season, due to Rod Harris' initiative, from Wilston Norths, followed up by some sterling work by Bruce Boland with the Brisbane City Council and Councillor David McLachlan, Brisbane North Junior Cricket Association was able to lease 5 grounds at Kalinga Park. We then also lodged a successful application for a Brisbane City Council Community Grant. With this Grant, we were able to install five synthetic wickets at Kalinga Park for the Under 12s to Open teams competitions and they became home grounds for Wilston North and Toombul Juniors at a minimum cost.

I wish to thank Valleys and Norths Seniors for the use of their two turf wickets each on Saturday mornings for BNJCA's use pre-Christmas when we desperately needed wickets.

Glynn Netto
Grounds Coordinator

Treasurer's 2015-16 report

The financial statements for the 2015/16 year record a net surplus of \$64,770. This is a creditable outcome for the Association and reflects an increasing fee base and prudent management of expenditure. Net assets were \$211,789 as at 30 June 2016 and provide a strong financial base for the future activities of the Association.

Allan Deacon
Treasurer

Player Fees and Club Affiliation fees 2015-16

Last year the basis of charging player fees was changed from a team basis to an individual player basis, as this can now be ascertained from MyCricket and is a fairer basis to levy each player and this was the method used again this 2015-16 year.

The player fees structure and amount was kept the same again this year as last year. The Saturday player fee was set at \$25 and the Super Six player fee was set at \$17.50 per season/per player. The non-hosting Super Six club player fee was \$25, with Brisbane North Junior Cricket Association remitting the difference of \$7.50 per player to the Super Six hosting club to offset venue costs.

The annual Brisbane North Junior Cricket Association club affiliation fee was again set at \$1 per club.

Player Numbers 2015-16

Total player numbers for the whole season rose again this year from 3200 in 2014-15 to 3894 in 2015-16, meaning an additional 694 players, or a 22% increase. Clubs affiliated with BN dropped from 17 to 16 with the closure of St Dymnys School as a cricket club.

Patron's Message

The Brisbane North Junior Cricket Association has continued to grow at a rapid rate due to a strong executive, its passionate coaches, player base and its countless volunteers. Your hard work and commitment has had a large bearing on the improved standard throughout this zone, which is second to none, on and off the field.

Another great initiative has been the acquiring of the new Kalinga Park five field junior complex. This is a huge achievement for junior cricket in Brisbane. It will open up opportunities for representative players to display their skills at State Championship level.

I would like to play tribute to Errold La Frantz, our former Patron, who was one of the founders of this Association. A was a highly respected gentleman, with immense knowledge and commitment to cricket. His passing has been a huge loss to Brisbane North cricket. I wish everyone all the best for the coming season.

In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

The Spirit of Cricket Award

The Spirit of Cricket Award

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The Spirit of the Game involves respect for:

- *Your opponents*
- *Your own captain and team*
- *The role of the umpires*
- *The game's traditional values*

The BNJCA supports the Spirit of Cricket, as embodied in the preamble to the Laws of Cricket, in a tangible way with a Spirit of Cricket Award. The Association accepts nominations from clubs for a player displaying the true spirit, traditions, and values of cricket. The player must be playing in a BNJCA competition. This award does not apply to adults.

In order for a club to nominate a player, the action must be at the player's instigation, not a result of an adult's intervention. The nomination can come from anyone involved in the game; other players, umpire, coach or spectators, but must be made through the affiliated club of the nominating person.

U13 Reevesie Cup

Co-ordinator's report 2015-16

The Reevesie Cup once again proved to be a successful competition providing under 13 players with the opportunity to play competitive games on turf wickets and press their claims for representative selection.

The competition was well received as expected by the players with many stepping up to the challenge and providing an excellent opportunity for the selectors to have a look at these players in real game situations. The balance of talent across four teams has proved to be quite good and based on this we will run the same format next season.

A big thank you to Matt Langley (Heat), Craig Brough (Hurricanes), Dale Sherwood (Scorchers), Andrew Pilgrim (Thunder) and their respective managers for getting the boys prepared and also working with the requests of the selectors.

U14 Anstey La Frantz Shield

Co-ordinator's report 2015-16

The Anstey La Frantz Shield continues to be a successful competition providing under 14 players with the opportunity to play competitive games in an environment that aims to replicate representative or senior grade cricket.

Once again the competition has thrived on the hard work of those who have put their hand up to coach and manage the players. Thanks goes to Neil Tracey (Tigers), Michael McPhee (Lions), James Durkin (Redbacks), Stuart Law (Bushrangers) and their respective managers.

As always, we strive to keep this competition relevant to the under 14 age where it was targeted at its inception, and as in previous years its success has been best measured by its popularity amongst the players who participate.

Champion Player Awards 2015-16

In the Champion Player Award, the points were awarded as shown in the table below and were able to be tabulated straight from MyCricket player stats. It was obviously extremely important that the player stats are entered for every game otherwise a player may miss out on the award. A Trophy for each age group, from 11 to Open is awarded and their name is then added to the Perpetual Trophy for that age group. Both Pre-Xmas and Post-Xmas competitions had separate awards and there is a separate Perpetual Trophy for each age group.
