## President's 2019-20 report

What an unusual way to finish the cricket season. All cricket suspended in Australia by Cricket Australia due to the pandemic - COVID 19 the coronavirus.

As I write this report, the pandemic has become very serious in its impact across the world. The whole world has just about come to a standstill with borders closed and governments issuing special instructions to the population in what to do to try and combat the virus. Here in Australia, as I write this, our state borders are closed and we have very clear instructions on how to conduct our daily lives. We have a day by day, hour by hour, news update on the number of virus cases worldwide, how many deaths and this statistic is into the many thousands, although, thankfully, most people survive.

The Australian Government has suspended all sporting activities from the top professional competitions all the way down to community and grass roots. Currently we are uncertain as to when this sporting ban will be lifted.

Our season 2019/2020 trophy presentation night had to be cancelled but we were able to get trophies to all those that received awards by asking clubs to collect the trophies from our Brendale store or they were delivered direct to clubs. Hopefully then the Clubs distributed all to the trophy winners.

However, onto to more pleasant things to write about. Our season of 2019 / 2020 provided our young cricketers for an opportunity to enjoy their cricket with their friends and show their skills over the season.

Our internal trial competitions were again successful with this season seeing the introduction of the Under 12 Casey Cup which was won by team Netto coached by Luke Joel and captained by Steven Hogan. This competition was very well received by all as it gave the boys the opportunity to pit their skills against the best of their peers in the age group. Our Under 13 Reevesie Cup was won by the Hurricanes, coached by Jack Sweeney and captained by Jayden Draper while our Under 14 Anstey / La Frantz competition was won by the Redbacks, coached by Tom Hadden and captained by Kane Neilsen.

We had quite a few successes in the Representative programs during the 2019 – 2020 Christmas period. Two of our teams won the QC State Challenge and they were, Under 14s coached by Bryan Hadden and captained by Jack Balkin and our Under 15s coached by Col Wade and captained by Hugh Weibgen. Our Under 13 Development team coached by Richard Clay won the Ipswich organised Les Kinnane memorial Shield and in a nail-biting finish that went down to the last ball of the competition on the last day, our Under 14 Blue Development team won the Sunshine Coast Carnival. They were coached by Tom Hadden and captained by Billy Nuss. Our Under 15 Girls City Fever team coached by Tony Dudgeon and our U13 Girls City Fever team both won their Carnivals.

Our girls cricket competition is still expanding due to the driving force of our Robert Bailey who again was instrumental in getting the CaSSSA (Catholic Secondary School Sports Association) competition up and running. This competition launched in 2019 featuring eight schools won the Celebrating Cricket in Schools category for both Queensland Cricket and the Australian Cricket awards.

At long last we have received the keys to the Council renovated building at Bertha Street the Kalinga Park complex. Plans are now in place to kit the building out so it can be used by our Association during the cricket season. We are very fortunate that the building caters for both Female and Male participants. A huge boost to our girls' competitions.

We are very fortunate to have a very active and knowledgeable group of members on our Management Committee who have the community view of what is best for our client base. Thank you to each and every one of you. To Sam Harris from Queensland Cricket, Aaron Mills our Male Coaching Coordinator and Tony Dudgeon our Female Coaching Director, thank you to you all.

While I am into thank you 's there are many that need to be acknowledge as their contributions are so vital to the successful operation of the Association and those persons are the people who run the affiliated clubs along with their parent base. Also, congratulations to Mick Patton from Burpengary Brumbies who was awarded the BNCA Volunteer of the Year Award on the success of his endeavours and organisation in getting the Club back on its feet and signing on players after some sad happenings to their incumbent President.

Our Patron Keith Dudgeon stood down after some years and Michael Skinner accepted our nomination and was duly elected as our new Patron. Again, we thank Keith and his KD company for their ongoing support and generous contribution to the Association through sponsorship.

The highest honour that can be bestowed upon a member or supporter of an organisation is that of Life Membership. Huge congratulations to Kathy Casey from Albany Creek Cricket Club on being elected a Life Member. Many thanks to Kathy who has spent many years, 15 to be exact, along with her husband Steve coordinating and running the Ian Healy Cup. The other fact that is exciting is that Kathy is our first female life member. A very deserving award.

In closing one wonders what is going to happen in the future to our ability to run our weekly cricket competition, what with all the social restrictions due to the COVID-19 coronavirus pandemic. We have our fingers crossed that the world recovers from the pandemic and that our lives come back to something like normality.

So here is hoping to seeing you all back on the cricket field in season 2020-2021.

## Draw Committee 2019-20 report

Clubs affiliated with BN dropped from 14 to 13 this year, with Marist College Ashgrove not entering any teams. Unfortunately, in addition, the Pine Rivers Junior club were unable to field any junior teams again this year, however they did form six Blaster teams so we hope that the club will be back with older age teams next season.

We had an increase in team numbers from 350 last year to 375 this year. The team number increase was mainly attributable to Blaster teams again increasing from 103 to 116. There was also a flow-on effect from the previous season with U10 increasing by 6 teams and U13 increasing by 8 from 28 to 36 teams.

The second year of the new format cricket in u10/11 again allowed us to organise 2 games on an oval in the morning by starting these games a little bit earlier and easing the pressure of oval availability. Post-Xmas, after listening to concerns raised by clubs, we changed the starting time of U11 to the 7.15am time slot and U10 to the later one. This meant the experienced U11 teams finished their games within the time allowed and the U10, new to this form of cricket, could take longer to adjust and games could go a little over the designated time.

We also altered our U12 draws into 2 distinct formats: **Pathway Cricket** – Game played over 2 days, as per the previous year and operating off 18m pitch length and rules as per U12 Championships. **Junior Format cricket:** This alternative format would be one day games, using an 18m pitch, 3 hours long, 9 players to a team, and using Cricket Australia Stage 2 rules. Clubs nominated what form of cricket each of their teams were to play. We ended up with 13 teams in Junior Format and 26 teams playing Pathway format.

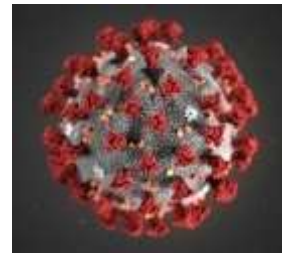

We moved into our third full year of all-girls competitions with an increase of 3 teams to 23 teams participating in Pre-Xmas & 21 in Post-Xmas competitions. Once again this was the result of a lot of hard work by Robert Bailey at BNJCA. We strongly encourage clubs to organise their female teams and actively promote this form of cricket.

We lost our first game of the season to rain on Saturday 12 October 2019 and a number of games were washed out at various locations in late October. We also had to contend with extreme heat on Saturday 7 December. Moving on to Post Xmas games and more rain meant we had to cancel all cricket on 8 February and again on 15 February and many games were lost on 7 March. We then had all games cancelled by Cricket Australia on 21 March due to the COVID-19 virus.

Thank you to the many state schools who allowed us to use their grounds during the season. I would also like to express our appreciation for the continuing support from the Brisbane City Council, Moreton Bay Regional Council, the Warehouse Cricket Association, District Cricket Clubs north of the river and a number of private schools who all make ovals available for us to use. BNJCA could not operate such a large competition without their assistance.

Finally, thanks to Steve Casey, Laurie Hallam and Robert Bailey for their Draw assistance, Richard Clay for organising school ground approvals this year, Geoff Cowles for his input and drafting of the Rules and Ian Rushton for MyCricket support.

**Bruce Boland**  
Chairman Draw Committee

## Treasurer's 2019-20 report

We have continued to be prudent by trying to plan for things like changing Super 6, ground costs, expansion of girl's cricket and the on-going Kalinga Park base.

We have been given the keys to the Bertha St building at Kalinga Park, however we have to get quotations done and then the internal fit out completed. Currently this is being delayed due to the Covid-19 concerns and until we can get contractors to quote and then to do the work, this activity is on hold. We also hope to get some work paid for with the assistance of various grants, so more delays are expected due to this. The change to amalgamate Super 6 and Blaster formats was only

able to be done with the assistance of grants from Queensland Cricket as we would have lost thousands of dollars in revenue.

With all this happening over the year, we have still been able to promote the game more and expand at the same time, recording a surplus of \$23,344. Net assets last year were \$304,026, this year that has grown to \$327,381. This puts us in a strong position to overcome issues that our clubs face next season that are associated with what will happen with junior cricket due to Government Covid-19 requirements and school oval costs as they arise.

**Tony Bath**  
Treasurer

## Grants Committee 2019-20 report

Each year BNJCA provides grants to affiliated clubs, to assist in bringing new fields into use and ensuring that grounds that are used by the BNJCA, are kept in a safe and useable condition. We approve grants for repairs and new pitch installations but do not approve grants for practice nets as these are not required to play cricket on Saturday mornings. The Grants Policy and application form are available for downloading from the website [www.bnjca.qld.cricket.com.au](http://www.bnjca.qld.cricket.com.au)

Grants approved this year totalled **\$19,375**. The following subsidies were provided to clubs in 2019-20:

5/09/19	Corramulling Park South	Valleys District Cricket Club	\$ 715
9/09/19	Hercules State School South	Redcliffe Cyclones Cricket Club	\$4,665
9/09/19	Hercules State School North	Redcliffe Cyclones Cricket Club	\$4,665
9/09/19	Scarborough State School	Redcliffe Cyclones Cricket Club	\$4,665
9/09/19	Wilston State School	Wilston North Junior Cricket Club	\$4,665

We paid out extra funds this year as a result of the initiative by Queensland Cricket to get new pitches into schools that had none on their oval or had unplayable pitches due to age, cracking or subsidence. Queensland Cricket were paying 1/3 of the cost, with the school paying 1/3 and BNJCA paying 1/3. Clubs did not have to contribute under this program. As a consequence, BNJCA Management Committee approved spending over our allotted annual grant maximum of \$12,000, to ensure we got as many new pitches done and as much subsidy as possible from Queensland Cricket.

**Bruce Boland**  
Chairman Grants Committee

## Player Fees & Club Affiliation fees 2019-20

We have been working with Queensland Cricket to try and alleviate some of the Blaster fee issues with an agreement being reached for the start of this season. This resulted in just one fee going directly to Cricket Australia when a player registered for the merged Super 6 and Blaster competition and a grant payment from Queensland Cricket being received by BNJCA for a slightly lesser amount.

The player fees structure and affiliation fee amount for the 2019-20 season was kept the same again and this has not increased for the past 8 years. The Saturday player fee was set at \$25 and the Blaster fee was paid when the player signed on with Cricket Australia for Junior or Master Blaster. The annual BNJCA club affiliation fee was again set at \$1 per club.

**Tony Bath**  
Treasurer

## Clothing and Equipment Co-ordinator's 2019-20 report

The 2019 2020 season saw BNJCA continue with its Representative clothing of maroon, gold and blue for the seventh consecutive year. Our plan is to continue with the current design.

In the interests of player safety, we now only purchase long sleeve playing shirts and will continue to run down the existing stock of short sleeve shirts upon parent request only. Sunscreen was also provided to our representative players and officials as part of their clothing allocation for the first time this year and this will continue to be provided.

All BNJCA equipment, records and trophies continue to be stored securely in our South Pine Brendale premises providing easier access and distribution throughout the year.

Once again, we acknowledge and appreciate the support of Keith Dudgeon Sports, Emu Sportswear and Starline Promotions for supplying the Representative caps, kit bags, back packs and uniforms and Extreme Marquees for donating a shade tent.

**Michael Gregory**  
Clothing Co-ordinator

## Grounds Co-ordinator's 2019-20 report

Kalinga pitches are now being mown by BNJCA contractors instead of BCC and Environmental Services are taking away the grass in large bins. We continue to have pitches vandalised and this puts extra financial burden on clubs and BNJCA.

I wish to thank Valleys and Norths Seniors for the use of their two turf wickets each on Saturday mornings for BNJCA's use pre-Christmas when we desperately need wickets. Also, we thank Warehouse Cricket for use of the two Seventh Brigade Parks on a Saturday morning. The use of Curlew Park, Pine Rivers, Norths and Everton grounds for Reevesie and ALF competitions is also appreciated.

We encourage clubs to actively check ovals and greenspace in their area to see if any potential new playing areas can be utilized. If some ovals are currently unable to be used because of their playing surface, please contact Paul Levens at Qld Cricket and talk about what can be done to get them operational again, this includes any schools or parks.

**Richard Clay**  
**Grounds Co-ordinator**

## Director of Girl's Cricket 2019-20 report

Season 2019-20 represents the 4th year of Brisbane North Junior Cricket Associations (BNJCA) Girls Cricket program. Significantly it brings us to the half way point of the '1 in 3 by 2023' project. To date we have established a clear pathway for girls to engage in all girls' competitions from junior all the way to senior cricket. This growth has fuelled the growth of the Women's Premier Grade Competition with girls moving away from BNJCA to seek senior cricket opportunities across Brisbane. Impressively the BNJCA Girls Competition has continued to grow despite this attrition with similar success also being enjoyed at a representative level. Significantly, season 2019-20 appears to have proven to be a 'watershed' year in the

growth of Girls Cricket in BNJCA with the need to a revision of the promotion and demographics of strategy a priority for next season to ensure that the program does not stagnate.

### Girls Cricket Competition

The Girls Cricket Competition has continued to grow from strength to strength with 10 teams competing in the u11 draw along with 8 in u13's and 6 in u15's. The growth in the u11 draw has been particularly impressive as this indicates that girls are engaging with cricket even after the tremendous early momentum that the '1 in 3 by 2023' campaign created.

### Master Blaster (Formerly Super 6's)

Super 6's cricket integrated with Master Blaster to provide a single pathway for Juniors who want to start playing cricket. These programs showed continued growth which is important as they are critical to the sustainability of the Girls Cricket programs as they are the nurseries that will fuel the Girls Cricket Competition and Senior pathways.

### Girls 'Come & Play' and 'January Camps'

The Girls 'Come & Play' and 'January Camps' took place all be it with reduced numbers than previously and while the feedback from participants was outstanding it appears that the concept is in need of a refresh.

### Building Cultural Depth

After considerable time and focus, the Catholic Secondary School Sports Association (CaSSSA) held its first CaSSSA Cup which took place in October, featuring players from 12 schools. In total 8 teams played in 2 pools with the eventual finals being played under lights in what was a highly successful day of cricket. Importantly the School Sports Co-ordinators were highly impressed with the day and plans have already been made for the 2020 competition. The timing of the CaSSSA 2020 competition will be made to allow schools to have 6 weeks preparation time to select and train before deciding CaSSSA Cricket supremacy on the day.

### Winter Warehouse

Preparation for the 2020 Winter Warehouse was looking extremely promising with stand-alone u13 and u16 Girls Competitions looking firm and even more excitingly a 4 team Women's Cricket Competition looking on the cards. Unfortunately, as I write this report the COVID-19 pandemic has had a highly detrimental impact on the winter competition and we await to see what opportunities are possible in the latter half of the winter season.

### Future Directions

While BNJCA's Girls Cricket program is the benchmark for Association's to follow Nationally, there is still considerably work to do to fulfil the games potential in female participation. The female participation space is highly competitive and if BNJCA is to maintain momentum a review of the strategy is necessary to remain ahead of the curve and continue to set the standard in building female participation.

Based on this theme the following priorities have been targeted for season 2020-21:

The absolute priority for season 2020-21 is the creation of all Girls Master Blaster programs to feed the exiting Girls pathways. Ideally these programmes should take place in the evenings and be integrated into the program that replaces the Girls 'Come & Play' and 'January Camps'.

There is a need to create an alternative pathway for female participation for girls to continue to play the game without the intense approach that Premier Club's employ in preparation for the Women's Premier Cricket Competitions. This is particularly important as many girls are simply not interested in Senior Women's cricket at a Premier Cricket level and ultimately leave the game as we cannot provide an option. This competition should be created as a project engaging QSDCA, Warehouse and Junior Associations as opposed to Premier clubs. Ultimately, we should strive to make cricket a game that girls can continue to play and engage with throughout their lives.

The creation of a 3rd Senior Women's program at a Premier Club is essential to provide opportunities for girls seeking a competitive option within the catchment of BNJCA. This is important not only to prevent the current drain of players away from BNJCA but to provide access to improved infrastructure that can assist the growth of Girls Cricket.

The Girls 'Come & Play' and 'January Camps' while highly successful appear to have served their purpose and a refreshed strategy is needed to continue growing girls' cricket. Currently discussions are being held with Queensland Cricket to develop a program that engages all Junior programs to create a single initiative focusing the entire cricket community on a single promotional strategy for growing female participation.

The impact of COVID-19 in 2020 has had far ranging implications for winter sport, however, I would suggest that it represents a significant opportunity for cricket to capitalise on a sport starved nation when preparations for our season begin in late winter.

#### **Girls Under 15**

City Fever Side competed in Ipswich in sweltering heat during December and went through all games undefeated. Seven Brisbane North Girls (Lucinda Bourke, Darcy Johnston, Ruby Orchard, Seirra Jeh, Eden Colen, Genevieve Bond and Abbey Harris) combined with 5 Bears girls during the State Challenge. Three players Lucinda Bourke, Darcy Johnston and Seirra Jeh were selected for the Qld under 15 team

to compete in the National titles in Canberra.

Queensland won the National U15 titles with two North Brisbane players Lucinda Bourke and Darcy Johnston selected in the Australian under 15 team.

**Girls Under 13** City Fever Side competed in Bundaberg in January winning the state titles. North Brisbane had 4 players compete during the state titles, Mia Coucamp, Sophie Martin, Ava Spencer and Janelle Pais.

In conclusion: Having been lucky enough to coach 13's, 15's and 18's girls at State and National level's I believe these match experiences are the best learning environments young athletes quickly move their GAME forward! The fun they all had during these tournaments will be remembered by each player forever. I couldn't encourage Females more to take up the game of cricket as currently the support and opportunities available to female representative players in Australia and locally at our National Cricket Centre is unparalleled.

### Director of Male Coaching 2019-20 report

#### ***Representative selection system U12 -U14***

The Anstey La Frantz Shield and Reevesie Cup competitions aim to replicate an environment similar to what exists at both representative level and at Senior Grade level. In addition to a stronger level of competition, players are also educated to the standards and etiquette of the game that will be expected of them over the coming years.

The competition is well received by the players with many stepping up to the challenge and providing an excellent opportunity for the selectors to have a look at these players in real game situations.

The balance of talent across the four teams in each competition has proved to be quite good and based on this past experience we have expanded this selection method to encompass U12 players this season under the same format, in a new competition called the Casey Cup.

## **Kathy Casey – Life Membership**

Kathy commenced at Albany Creek Cricket Club in 1999 as a parent when her son Scott started playing for the club. Kathy has been actively involved with the Albany Creek Cricket Club committee since 2000 taking on various roles including Statistician, Registrar, Newsletter Editor and Webmaster. She still maintains all the club stats for Albany Creek teams in both the Brisbane North and Warehouse competitions.

**President Ian Reeves with new Life Member, Kathy Casey**

In 2003 Kathy assisted Ray Wonnacott with the Statistics for the Ian Healy Cup. Then in 2004 she took over this role completely and has done so up to the present. This role has evolved over time from manually entering all the stats from each game for the carnival to the present day where they are entered on MyCricket. Kathy also organises the certificates for Award recipient and carnival winners. For the past four or five years she has entered all of the 14 teams competing in the Healy Cup into MyCricket and is the 'go to' person for all of the teams participating in the HC for any problems involving MyCricket throughout the carnival.

During the Healy Cup Kathy also co-ordinates lunches for each of the competing teams. Over the past few years this has become a massive job due to the increasing number of players and officials with Special Dietary Requests.

## Special Awards and Recognition during the Year

### Qld Cricket Volunteer Monthly Awards - BNJCA recipients

	<p><b>BNJCA VOLUNTEER of the YEAR</b>  <b>Mick Patton - Brumbies March</b></p> <p>The Burpengary cricket Junior President Conrad Chatham had a heart attack prior to the commencement of Season 2018-2019 and there was a necessity for someone to step into the role. As a small club just finding their way into junior cricket, Mick Patton realised there was no one to keep the junior club operational. Mick's son Riley was enjoying his cricket experience so his hand went up and he took on the role. He was determined not to see the junior club disappear for the community and the young aspiring cricketers. However, he had a huge learning curve in learning about the administration procedures required. Doggedly he toiled and worked, contacting people, letting them know he was the Junior Cricket Coordinator. He was successful and to keep the club alive he continued in the role for 2019-2020 and deservedly was awarded the BNJCA Volunteer Award for his efforts</p>
<p><b>Phill Tsingos</b>  <b>The Lakes Knights October</b></p> <p>Former Vice President for 4 years, Phill has been at the club for many years volunteering his time to coach teams and be on the committee. He has 4 boys playing at the club and coaches multiple teams.</p> <p>He has helped the club expand and was Vice President for many years only stepping down this year to focus more on coaching the kids. He also runs internal trials for BNJCA rep team nominations. He has prepared and cooked the BBQ for many years at our Super Sixers/Master Blaster evenings. He is a dedicated committee member and an extremely valued member of this club.</p>	
	<p><b>Tom "Gibbo" Gibson</b>  <b>Valleys November</b></p> <p>Congratulations to Tom "Gibbo" Gibson for being awarded Volunteer of the Month for November! Queensland Cricket and the Valley's family recognize Tom as a standout volunteer, spending an inordinate amount of time at fields assisting in ground preparation, particularly over the weekends when the groundsmen are not around. He is often seen around the club at dawn and dusk removing covers and rolling pitches for the senior and junior matches.</p> <p>This year he also volunteered to coach the Valley Under 15 Development Squad, and has done an outstanding job, with many of the players achieving milestones under his wing. We appreciate all the work Tom has put into the club and it is people like Tom who ensure community cricket continues to grow each and every day. Thanks Tom!</p>
<p><b>Dominic Window</b>  <b>Pine Rivers December</b></p> <p>Pine Rivers have nominated Dom Window for their VOTM. Dom is still working extremely hard to get our juniors back off the ground after a lean couple of years. The club wouldn't be the same without him. Dom started running both JB &amp; MB when they first kicked off 4 years ago and has only just managed to get someone else in to help out. To be running both programs solo for that long is a tremendous effort and he thoroughly deserves this award</p>	
	<p><b>Steve Spence</b>  <b>Ferny Grove February</b></p> <p>Steve has been a Coach/Manager at Ferny for several years with boys currently in U10's &amp; U13's. He has never sought recognition &amp; goes quietly about his contributions. Steve currently coaches U10's &amp; makes a valuable difference not only to his team, but to the fabric of Ferny Districts Cricket Club. Thanks Steve, we notice &amp; appreciate what you do.</p>

BNJCA Players Selected for Qld 2020 Under 15 Team

Congratulations to you all

# THE SPIRIT OF CRICKET AWARD

Hari Palanivel Murugan

*Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The Spirit of the Game involves respect for:*

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

The BNJCA supports the Spirit of Cricket, as embodied in the preamble to the Laws of Cricket, in a tangible way, with a Spirit of Cricket Award. The Association accepts nominations from clubs for a player displaying the true spirit, traditions, and values of cricket. The player must be playing in a BNJCA competition. This award does not apply to adults.

In order for a club to nominate a player, the action must be at the player's instigation, not a result of an adult's intervention. The nomination can come from anyone involved in the game; other players, umpire, coach or spectators, but must be made through the affiliated club of the nominating person.

## Catholic Secondary Schoolgirls Sports Association (CaSSSA)

The inaugural Catholic Secondary Schoolgirls Sports Association (CaSSSA)

Girls Cricket in Brisbane North continues to grow from strength to strength as the first CaSSSA T10 Cricket Competition took place at Valley's over the 26 and 27 October weekend featuring 7 Girls teams from Catholic Schools across Brisbane. The competition was won by Mary McKillop College, Nundah.

The day started with games on the Marist 'Flats' and finished with finals under lights at the VDCC oval. Some great cricket was played and all left bursting with enthusiasm that will provide the momentum needed to get Cricket back into the CaSSSA School system again.

There was tremendous recognition of the sensational work of Catholic Secondary School Sports Association (CaSSSA) as they received Queensland Cricket's A Sport For All Schools Cricket Inclusion honour. Years of tireless work combined with support from BNJCA, Valleys and Marist Ashgrove to form the first girls CaSSSA Cup, which was an amazing success.

Christine Clarke and Margo MacIntosh were recognized for the exciting growth of cricket within the CaSSSA system. The success of the CaSSSA Cup required many hands and I would like to thank Michael Dudgeon, from Keith Dudgeon Cricket Specialists, Gavin Fitness from GFit SportWear, The Australia Cricket Society, Marist Ashgrove for providing 'The Flat's', Grant Mitchell at Valley District Cricket Club for his ongoing support and the Brisbane North Junior Cricket Association Management Committee, especially Robert Bailey for their ongoing support of Girls Cricket.

Team shirts used for the competition were sponsored by BNJCA through a Girls Cricket Development grant.

Left: The Girls 'Come & Play' (September 2019) and 'January Camps' 2020, took place, all be it with reduced numbers than previously and while the feedback from participants was outstanding it appears that the concept is in need of a refresh.

Below: Warehouse Cricket Association's female cricket program completed its third year. BNJCA again had teams in this competition. Games were played at the Kalinga Park fields, with BNJCA not charging the Warehouse Cricket Association for use of our ovals. Unfortunately, at the time of going to print, we may not have any winter cricket due to Covid-19.

## Champion Player Awards 2019-20

In the Champion Player Award, the points were awarded as shown in the table below and were able to be tabulated straight from MyCricket player stats. It was obviously extremely important that the player stats are entered for every game otherwise a player may miss out on the award. A Trophy for each age group, from 11 to Open is awarded and their name is then added to the Perpetual Trophy for that age group. Both Pre-Xmas and Post-Xmas competitions had separate awards and there is a separate Perpetual Trophy for each age group.

## Order of Australia to Gary Sommerville OAM

Congratulations to Gary Somerville on being awarded an OAM (Order of Australia) for services to cricket and the community.

Gary is with Ferny Fireballs Cricket where he has served on their committee for many years and is still actively involved. He received the award in the June 20 Queen's Birthday Honours.

Gary served on the BNJCA Management Committee from 2007-2008 to 2013-2014 and during that term he spent several years as Treasurer. Gary was involved with BNJCA Representative Teams Managing an Under 13 Development Team at Ballina in January 2007 and then coaching the Under 16 Development team in January 2008. He then coached the Under 14 State Championships team in December 2008 to be the Under 14 State Championship winners at Bundaberg. He went on to coach the Under 14 Championship Team for another 2 years in 2009 and 2010.

It is a very worthy award for Gary as he is a person who has dedicated, with a passion, his time to the community and cricket.

### The Pandemic - 2020

It came out of Wuhan China like a whirlwind the COVID -19 corona virus, it has infected the whole world. I have lived many years in this lucky country of ours Australia, for many years, through bushfires and droughts, floods and recession, *different* Governments (Labour and Liberal) and have survived and whatever Government that has been in power has ensured we have continued to live our normal life. They have ensured we have a country we can be proud of and live comfortably.

This pandemic, it is different, essential services only open and operating, as many as possible people working from home through remote computer connection, no sport, Cricket, AFL, NRL, Rugby, A League, Golf, no gymnasiums open and the list goes on. No coffee shops, no Movie theatres. A large percentage of our small businesses are struggling to stay afloat.

Panic buying, supermarket shelves empty of, toilet rolls, hand towels, Kleenex tissues, all types of sanitisers, tinned products, rice, pasta, flour, eggs, even potatoes. People are scared, they are not sure what to expect.

The Government has introduced social distancing, 1.5 metres apart, not more than two people to gather together, 10 allowed at a funeral, 5 for a wedding, they have closed all of our state borders. You need special permits to travel across the border. But schools are still operating. The powers that be, are concerned for the elderly, those over 70 and those that have bronchial problems or have a health issue of some sort, they believe they are the most vulnerable. They have asked everyone to stay home and only venture out for the necessities, food, doctor's appointments.

Yesterday the Government announced the Job Keeper Payment as a critical piece for Australian businesses to survive the COVID-19 crisis. A subsidy of \$1,500 per fortnight per employee, administered by the Australian Taxation Office will be paid to businesses that have experienced a downturn of more than 30% (50% for businesses over \$1bn). They are trying to keep the country afloat.

The tourist industry is in disarray. No international flights, the cruise ships are a no-no, every one disembarking is tested and those not infected still have to go into 14 days self-isolation. Overseas countries are closing their borders. Tens of thousands out of work with all the closures. The world is coming to a standstill.

Day by day, hour by hour we get an update as to how many have died not just in Australia but world-wide. What is happening, when is it going to end? Yes, it is like a guessing game, speculation after speculation after speculation. To use an expression, "no one has a crystal ball".

My belief when we get through this, is that, life will have changed so much, but how will it have changed? Our economy here at home, what will happen, will our lifestyle that we have been so used to over the years, be the same, my guess no, however we cannot see the future. The world economy will surely be affected which will no doubt affect us.

We have always called ourselves the lucky country so fingers crossed!!!!!! Our families are so important to us all. I just want the country to survive and then hopefully we will get back on our feet gradually.

Everyone please, stay safe. We all need to stay positive and look ahead through a half-full glass. The COVID -19 corona virus, it will pass, we will survive.
