President's 2020-21 report

Life in this world sets up all sorts of challenges that we encounter and we have to overcome. For the past two years we have had the world pandemic of COVID-19 that has the world in turmoil.

This pandemic has had huge impacts on senior sporting activities around the world and also within our state of Queensland. We, Brisbane North Junior Cricket Association (BNJCA), have been fortunate, even though we had imposed on us the special Government restrictions to run our junior cricket competitions.

Our normal weekly fixtures in all age groups were played by our junior cricketers as per normal so of a weekend they were able to enjoy the friendships of their team mates and satisfy their competitive spirit.

The internal competitions, the Under 12 Casey Cup, the Under 13 Reevesie Cup and the Under 14 Anstey / La Frantz Shield went ahead to enable us to select our various Representative teams.

The competition winners of the Casey Cup, were team Philp coached by Jack Doyle, captained by Henry Moore, the Reevesie Cup, team Thunder coached by Dave Fielding, captained by Louis Marais and the Anstey/Frantz Shield, team Lions coached by Nick McPhee, captained by Sam Lewis.

For this season, 2020/2021, both our Player Representative Cap Presentation night and our Annual Trophy Presentation night had to be cancelled. Once again thanks to our Secretary Bruce Boland and Committee Member Michael Gregory for the distribution of the Annual trophies to the clubs for them to pass on to their players.

The BNJCA Championship teams did not have their normal weekly trip away in December to play their games due to issues with the COVID-19 pandemic. Instead, they played on Sundays over several weekends and played the teams in their hub twice. Queensland was split into three hubs and we were in the Central hub with Wide Bay, Sunshine Coast and BEARS. The reason that this occurred was because the Government introduced restrictions on numbers of people at certain locations, functions and sporting competitions.

However, by the time that the development teams competitions took place in January 2021 they travelled away for the week to various locations. Some of our teams were successful in winning their carnivals, the Under 15 Development team playing in the Sunshine Coast organised carnival in Noosa were victorious. They were coached by a former BNJCA Representative player, Nathan Earley and captained by Lachlan Ware. The Under 14 Blue Development team won the Sunshine Coast Carnival. Team was coached by Tom Hadden and captained by Mitchell Hartshorn. Our Under 13 Maroon Development team won the Les Kinnane Carnival held at Ipswich. The team was coached by Aaron Mills and captained by Jett Snow. Congratulations to all the players and coaches on their success. Our Under 12 Healy Cup development carnival went ahead in January as scheduled and was won by Metropolitan South West.

Under the tutelage of Robert Bailey our Girls competitions are moving ahead. The girl's competitions, still in their infant years, welcomed the inaugural Under 13 Lord Mayors Cup played in January at Kalinga Park. Robert Bailey approached the Lord Mayor's office and received permission to use the name for the competition. The BEARS team won the inaugural carnival. This Lord Mayors Cup competition also had a first, in that the games were all live streamed on YouTube. What a huge success that was. Robert again was instrumental in getting the approval from the Management Committee to purchase the Frogbox cameras and software that contain the technology to achieve this live streaming. It does not matter where in the world you are; you can watch the game live.

It is our intention to take the opportunity with these Frogboxes to live stream our Casey Cup, Reevesie Cup and Anstey / La Frantz games for general viewing, along with the Lord Mayor's Cup, Representative games, the Healy Cup and as many games as possible over the weekends during the season. This will definitely give Grandmothers, Grandfathers, Aunts and Uncles etc the opportunity to watch their youngsters playing if they live distances away from the games.

Even with this pandemic we are moving ahead with our plans for our base at Kalinga Park. Robert has been busy setting up the canteen at Bertha Street, getting the building signage done, furnishing the building with tables and chairs and getting the commercial kitchen up and running with all the relevant council approvals. Thanks, must also go to Renee Bailey for her work in the canteen and to Richard Clay for his contribution and the assistance he is giving with getting the building set up to the appropriate standard.

We were very pleased to see that Steve Casey, President of Albany Creek Cricket Club and BNJCA Management Committee member, received the 2020-21 Queensland Cricket Volunteer of the year award.

Geoff Cowles OAM was given BNJCA life membership for his contribution to the Association and Junior cricket over many years. Congratulations Geoff very much deserved.

To run an Association as large as ours one needs many volunteers to put their hands up. Thank you to you all for your contribution it has been a successful year even with the COVID-19 pandemic present.

In closing I just hope that we can soon get back to some normality in our daily lives

Stay Safe.

President
BRISBANE NORTH JUNIOR CRICKET ASSOCIATION

Treasurer's 2020-21 report

The financial statements for the 2020-21 year record a net surplus of \$11,028. This was a good outcome as we had extra outlays over last year for Kalinga Park, an increased Administration payment, and a reduced amount of registration fees received, with less players signing on this year, giving us a substantial reduction in registration fees. We also did not receive our previously agreed ex-gratia allocation of \$10,000 from Queensland Cricket for loss of revenue for Blaster players with registration money going direct to Cricket Australia instead of to BNJCA; so, we were down \$12,000 in registration fees. With the new hierarchy at Queensland Cricket, requests for this money have not been successful.

Net assets were \$330,293 last year and they have increased to \$351,091 as at 30 June 2021. We have spent a lot of money this year, which was always in our plans, but we also have physical assets as a result, so we all can see where the money has been spent. Although we were given the keys to the Bertha St building at Kalinga Park last year, any work starting on the canteen and inside the building was delayed due to the Covid-19 restrictions as we were unable to get contractors to quote and then commence the work.

We were fortunate to get some other planned work paid for with the assistance of a successful \$35,000 Community Gambling Fund Grant application, a \$10,000 COVID Relief Lord Mayor's grant and a \$2,000 COVID Safe Active Clubs Kickstart grant, so purchase of a mower and trailer, installation of security grills on the canteen, resurfacing of 3 pitches at Kalinga, shade tents, tables, and seating and 2 bowling machines were all able to be purchased and delivered. We also purchased 8 Frogbox camera units for televising rep games, trial games, warehouse games and targeted games during the season. The camera units are able to be hired out to users and clubs who want to promote their teams can contact Robert Bailey to arrange this.

The inaugural Lord Mayors Cup for U13 Girls was held in January 2021, with 2 other Associations attending and the canteen had its first customers with this carnival. We hope that the canteen will prove popular and we have applied to BCC for a Commercial Kitchen licence and purchased \$30,000 of catering equipment to be installed over the next month or two. Once we have installed the equipment, we will then have a potential revenue stream into the future. There will also be some minor internal construction work in the canteen to make it BCC compliant for food preparation and storage.

In summary, despite having a very disruptive year, we ended up in positive territory and are gradually constructing a very good asset for the future at Kalinga Park.

Draw Committee 2020-21 report

Clubs affiliated with BN increased by one from 13 to 14 this year, with Gold Crest junior cricket teams joining Brisbane North. Unfortunately, the Pine Rivers Junior Cricket club were unable to field any junior teams again this year. We are hopeful that this situation will change next season.

We had a decrease of 20 teams in U10 to Open team numbers Pre-Xmas from 259 last year to 239 and a similar drop in Post-Xmas team numbers from 162 to 142. The team number decrease was across all age groups and was mainly attributable to the finish of soccer in late October due to COVID-19, meaning that quite a number of players were still playing soccer for a few weeks after cricket started and this resulted in them not registering for cricket. It was also thought that some families found it hard to incur the financial expense of registration if they had been stood down from their jobs during this difficult year.

We had a drop in the number of U16 girls' teams due to VDCC teams playing in the MSW competition and this was a point of concern for BNJCA as we had worked hard to get the girls competition running over the 3 age groups and in establishing a viable girl's pathway to representative cricket. BNJCA wrote to VDCC Junior Committee asking for a reason for the move to MSW and unfortunately, we have not received a reply to date.

We also listened to the feedback from our girls and altered our U13 girls Post-Xmas draws into 2 distinct formats: **Pathway Cricket** – Game played in 30 over format which had 4 teams and **Junior Format** cricket played over 20 overs which also had 4 teams. This allowed girls who were playing to have a choice of the level of commitment they wanted.

We also continued our U12 boys draws in the 2 distinct formats: Pathway Cricket – Game played over 2 days, and Junior Format cricket, played over one day. Clubs again nominated what form of cricket each of their teams were to play. We ended up with 17 teams in Junior Format and 16 teams playing Pathway format.

We lost our last game of the season to rain on Saturday 19 March; however, unlike last season, we were able to avoid any loss of games due to COVID-19 related lockdowns during the season. We thank all our clubs for their extra work in ensuring that we play at schools by cleaning the seating after their games, following Health Dept. rules.

Thank you to the many state schools who allowed us to use their grounds during the season. I would also like to express our appreciation for the continuing support from the Brisbane City Council, Moreton Bay Regional Council, the Warehouse Cricket Association, District Cricket Clubs north of the river and a number of private schools who all make ovals available for us to use. BNJCA could not operate such a large competition without their assistance. Thanks to Robert Bailey for his Draw assistance, Geoff Cowles for his input and drafting of the Rules and Ian Rushton for MyCricket support.

Finally, I will be stepping down from my role as Chairman of the Draw Committee at the end of this season and Steve Casey and Laurie Hallam will be taking over creating the draws. I wish them well.

Bruce Boland
Chairman Draw Committee

Grants Committee 2020-21 report

Each year BNJCA provides grants to affiliated clubs, to assist in bringing new fields into use and ensuring that grounds that are used by the BNJCA, are kept in a safe and useable condition. We approve grants for repairs and new pitch installations but do not approve grants for practice nets as these are not required to play cricket on Saturday mornings. The Grants Policy and application form are available for downloading from the website www.bnjca.org.au

We allocated a total of **\$8,812** on grants for pitches and **\$9,732** on repairs to runups at Kalinga Park and with the BCC also doing ground improvements like aeration, weed control and fertilizer application, we look forward to improving the quality of Kalinga Park for all users in the future. The Management Committee is currently in negotiations with Brisbane City Council to extend these remediation works across more of the parks that we hold licences for.

We could have installed more pitches during the year and therefore made more grants but we were limited by the Cricket Australia grant policy requiring a minimum size pitch between 25m – 28m in length and 2.4m – 2.8m in width. We asked Queensland Cricket about making the pitch dimensions a more reasonable 1.8m x 23m as most pitches were in schools where the oval size meant that games were limited to a maximum U12 age group. The reduction in pitch size would also reduce costs by at least 30% and enable more to be done with limited funds. We were told that this pitch size was the requirement for a Cricket Australia “grassroots” grant and it would not be changed. This is an unrealistic, inflexible and harsh policy from Cricket Australia that is not supportive of or in the best interests of junior cricket.

Bruce Boland
Chairman Grants Committee

Player Fees & Club Affiliation fees 2020-21

The player fee structure and affiliation fee amount for the 2020-21 season was kept the same again this year and this has not increased for the past 9 years.

The Saturday player fee was set at \$25 per player per season and the Blaster fee (formerly Super 6's) was not paid to BNJCA, and was paid directly to Cricket Australia when the player signed on for Junior Blaster or Master Blaster. BNJCA does not receive any part of the Blaster sign on fee. The failure of Queensland Cricket to pay the agreed \$10,000 compensation grant has affected our registration revenue, however we have maintained the fees at the same level. The annual BNJCA club affiliation fee was again set at \$1 per club.

Clothing and Equipment Co-ordinator's 2020-21 report

2020–21 saw many challenges due to Covid-19. The major effects on the BNJCA were the cancellation of the Cap Presentation Night in October 2020 and the subsequent Representative Clothing orders being completed by email, and the cancellation of the April 21 Trophy Night again. Nevertheless, the players received their clothing through a different format and overall, the process went off without any major dramas. We also had to remodel the way we do our rep team photos by having them done separately when clothes were being picked up. Thanks to Randal Simmonds Photography who catered for these new arrangements and were able to deliver the photos on time.

In view of the learnings we received from this, the Committee has pursued alternative suppliers who will provide an online purchasing system in future and a sizing venue for players to get uniform fittings. Details of these new arrangements will be provided in due course. The clothing design will remain the same as the past eight years. In the interests of player safety, we will continue to provide players with sunscreen and long-sleeved playing shirts.

We purchased an additional 6 shade marquees during the year and we also purchased 40 aluminium chairs and 10 tables for use at Kalinga Park, along with large aluminium benches for the two change rooms and these are all held at the Bertha St building. The shade shelters, tables and chairs are setup outside the canteen to watch games on Saturdays and Sundays.

The remainder of BNJCA equipment, records and trophies are stored securely in our South Pine Brendale premises, although we are currently seeking cheaper alternative arrangements within the complex.

The BNJCA appreciates and acknowledges the fantastic ongoing support provided by Keith Dudgeon Sports, Emu Sportswear, Starline Promotions and Extreme Marquees.

Michael Gregory
Clothing Co-ordinator

Grounds Co-ordinator's 2020-21 report

Kalinga pitches are now being mown by BNJCA in addition to Brisbane City Council. BNJCA has acquired a new mower, trailer, and whipper-snipper to ensure we keep the ovals in top order. The BCC has undertaken a program to aerate, weed manage and fertilize the Kalinga Park ovals this year. With a mix of grants, club and BNJCA contributions, we have resurfaced pitches 2, 3 & 5 at Kalinga Park to bring them up to a high standard at a total cost of \$17,625. We also spent \$15,073 on maintenance of the runups and ovals at Kalinga Park.

We continue to have pitches vandalised and equipment stolen and this puts extra financial burden on clubs and BNJCA.

I wish to thank Valleys and Norths Seniors for the use of their two turf wickets on Saturday mornings for BNJCA's use pre-Christmas when we desperately need wickets. Also, we thank Warehouse Cricket for use of the two Seventh Brigade Parks on and also Pine Rivers Cricket Club for use of 2 ovals each on Saturday morning. The use of Curlew Park, Pine Rivers CC, Norths DCC and Everton DCC grounds for Casey, Reevesie and ALF competitions is also appreciated.

We encourage clubs to actively check ovals and greenspace in their area to see if any potential new playing areas can be utilized. If some ovals are currently unable to be used because of their playing surface, please contact Nic Roberts at Qld Cricket and talk about what can be done to get them operational again, this includes any schools, parks or virgin green space.

Grounds Co-ordinator

Director of Girl's Cricket 2020-21 report

Season 2020-21 saw the Brisbane North Junior Cricket Association (BNJCA) Girls Cricket Competition enter its 5th year. The Girls Cricket Competition has continued to grow despite the constant attrition of younger and younger players being syphoned away to facilitate the growth of Premier Cricket's Women's Competitions. The season also marked the expansion of existing competitions such as the CaSSSA Cup and creation of new fixtures for the representative calendar including the BNJCA U13 Girls Lord Mayor's Cup. Despite the constant spectre of the COVID pandemic the cricket continued to roll onward with new developments and co-operations between Associations promising to make season 2021-22 very exciting indeed.

Girls Cricket Competition

The Girls Cricket Competition maintained its numbers despite the Association seeing girls recruited by Premier Club's outside of the Association attempting to sustain the growth of the Premier Cricket Women's Competition. Interestingly the maturation of this competition has seen the emergence of two distinct groups within the playing population around the u13 age group. It seems that this age marks the point where a distinct group of girls look to take a more serious approach to their cricket and play with a greater intensity. While another group seem content to play for more social reasons and are more than happy to bowl their allocated 12 balls, face their allocated 12 balls and go home in a little over 2 hours. In order to accommodate this development, the Association trialled the separation of the U13 competition into a Junior Format which essentially plays a Stage 1 competition on an 18m pitch with 9 players and a Pathway Competition, which started to introduce LBW and play a longer format with dismissals. To date, the feedback from this competition has been very positive and we look to the future to see whether this pattern is simply generational or ongoing.

Lord Mayor's Cup

The first Lord Mayor's Cup U13 Girls Cricket Competition was run between the 11th and 14th of January 2021, with teams from BNJCA, BEARS and Sunshine Coast becoming Foundation Members of this Competition. BEARS proved too strong for the other teams going out strong winners over the course of 4 days of cricket in the heat of Summer. Future editions of the Lord Mayor's Cup will be held in the 3rd week of December to avoid clashes with the Les Kinnane U13 Girls Cricket Competition that takes place in the 1st week of the New Year.

CaSSSA Cup

Catholic Secondary School Sports Association (CaSSSA) Cup entered its second year with the program now seeking to build clubs into the process of assisting schools to prepare for the stand-alone competition. The competition sustained its numbers with 8 teams returning and new finalists committing to determine the eventual winner on the day. Significantly the CaSSSA Cup was nominated for a "Sport for All Award" in the School Initiatives category of the Cricket Australia Awards night and after winning the Queensland Awards moved on to be named the National Winner. The knock-on effects that this prestigious award has had on CaSSSA Cricket has accelerated the growth of cricket in this space and we look forward to much progress in season 2021-22.

BNJCA Girls Academy

In Term 2 the Management Committee implemented the BNJCA Girls Academy to provide the highest level of coaching possible to assist with an identified skills deficit. The purpose of the Academy was to assist with the development of Representative level players by providing the best possible coaching experience at an affordable price. Furthermore, it was also envisaged that it could cater to areas within the Association where smaller club's might require additional coaching assistance with their juniors. In its first term the BNJCA Academy welcomed Gavin Fitness, Georgia Prestwidge and Saurabh Kumar to join the coaching staff with the Academy being Administered by the Director of Girls Cricket, Robert Bailey.

Winter Warehouse

The Warehouse Cricket Association's Winter Girls Championship experienced a break out season in 2021 with teams from Gold Coast, Kingaroy, and the Darling Downs all traveling to share the Girls Cricket journey. This influx of teams allowed the Competition to split into Open and U14 competitions with 4 and 6 teams in each respectively. The competition was played fortnightly with a 4 round T40 competition followed by a series of T20 double headers being played across 7 rounds. The added advantage of this was the decision of Warehouse to use Frogbox and televise the games on YouTube live to parents and grandparents at home.

It is hoped that this competition will expand in 2022 to include teams from Brisbane's Eastern suburbs and the Sunshine Coast and complete its evolution to allow girls to compete against teams from across South East Queensland.

Girls Cricket Sub Committee

Plans are in motion to establish a Girls Cricket Sub-Committee to ensure that BNJCA's dynamic efforts in Girls Cricket can be maintained and continued growth, be sustained.

Future Directions

Plans have been approved to introduce coloured clothing into the Girls Cricket Competition over the next 2 years along with the use white or pink balls across all competitions. The reasons for this are a combination of recognising that the future of female cricket is undoubtedly the short format and establishing this earlier in the girl's development. But also acknowledging the simple truth that cricket in coloured clothing adds a new and exciting element which makes the game 'pop'.

Throughout the 2020-21 season negotiations were held between the various Junior Associations, Community Cricket Associations, Premier Cricket and Queensland Cricket to establish a greater framework for Girls Cricket across Brisbane. This will involve the establishment of a Metropolitan Girls Competition that would allow the strongest girls to play other teams on a weekly basis throughout the summer to accelerate their development. It is planned to expand the night cricket offerings to create additional playing opportunities for girls to offset the reduced developmental exposure that is often a consequence of shorter format games. Of critical importance to this stagey is improved management of the future expansion in the Premier Cricket Women's Competition space to create Community Cricket Girls and Women's Competitions that can establish the female game outside of the High-Performance Pathway.

Director of Male Coaching 2020-21 report

2020/21 was indeed a very different representative season for the boys.

The COVID-19 pandemic had a dramatic effect on the representative season due to the ripple effects from funding cuts implemented by Cricket Australia. No national titles for any of the age groups were held throughout the season, resulting in no Queensland squads being selected. The funding that Queensland Cricket was providing to reduce 'State Challenge' player costs disappeared along with the hosting of State Challenges in the u13 & u15 age groups. The representative matches held in these age groups were limited to regional hubs only, so we only got to play against Sunshine Coast, Wide Bay & the BEARS regions. The matches were played on Sundays rather than the usual week-long tournaments.

The development carnivals were also affected. Having sent an u13 team down to Ballina for the past umpteen years, we cautiously decided to avoid border-crossing and sent both development teams in this age group out to Ipswich to contest the Les Kinnane Carnival. This proved a master-stroke in hindsight as a mini outbreak of the virus occurred in Sydney just 2 weeks prior, causing the abandonment of the Ballina Carnival.

The greater Brisbane area also had a lockdown imposed but fortunately not until the final day of the carnivals. This had an impact on the u14 & u15 Development teams causing them to miss out on their final day's play at the Sunshine Coast.

Final results for all of the representative teams for the year can be found later in the results section of the annual report.

Given the pandemic is continuing to have a stranglehold in many countries throughout the World, the uncertainty will prevent any funding returning to Queensland Cricket. This has now caused the Queensland Junior Cricket Association to step back into their previous role as facilitator of State Championships for next season's representative carnivals; something all junior players should be thankful for.

We are extremely fortunate to be able to carry out our lives as per normal here in Brisbane, and it has allowed us to hold our initial Stage 1 trials as per normal in late February & March. In fact, our nominated players for next year's rep players increased across the age groups in comparison to this season's.

There was a total of 94 nominations for the U12 boys, 88 nominations for the u13 boys & 70 nominations for the u14 boys. All four 'Casey Cup', 'Reevesie Cup' and 'Anstey La Frantz' squads have been selected, and fingers crossed, we will get to play as scheduled in October 21.

A huge thank you must go to all those club volunteers who assist with the selections of these Stage 2 squads in each of the age groups.

One last big congratulations should go to our Association's President, the one & only **Mr Ian Reeves OAM**, who has painfully decided to pull up stumps on his amazing coaching career. There have been more than 400 BNJCA representative players who have been extremely fortunate to have been mentored by our 'Reevesie' and I am sure they are all better people for the experience – CONGRATULATIONS !!!

Director of Female Coaching 2020-21 report

Our Brisbane North Under 15 girls were lucky enough to gain selection to compete in a quadrangular tournament against Sunshine Coast, Bears and Wide Bay in the State Challenge. These games are another chance to gain match experience and gain friendships with fellow players and rep girls from other areas. The following players that represented Brisbane North were: Holly Crichton, Jessica Crichton, Bridgette Lyons, Siddhi Bhandarker, Daisey Bateman, Janelle Pais, Elise O'Kane, Sevi Kaur, Charlotte Winks, Menuki Perera, Amy Marshall, Phoebe Smith, Mia Coucamp, and Hetvi Patel.

Three players from Brisbane North made a combined team with the Bears forming the City Fever side in the State Championships. They were: Lucinda Bourke (automatic selection as an Aust Champs player year before) Janelle Pais and Mia Coucamp. These were to be played in December at the Brisbane based Easts Redlands District Cricket Club. Unfortunately, these were cancelled due to rain.

Having been lucky enough to coach 13's, 15's and 18's girls at State and National level's I believe these junior pathway match experiences are the best learning environments our young female athletes can better their game. The fun they all had during these tournaments will be remembered by each player forever. I couldn't encourage females more to take up the game of cricket as currently the support and opportunities available to female representative players in Australia and locally is there to be taken.

Personally, I have really enjoyed my time being involved in the female junior pathway space and have decided to stand down as JDOC and look forward to the next challenge ahead. I would like to thank all at Brisbane North and Queensland Cricket for the opportunity. Special thanks to Ian Reeves (President BNJCA), Bruce Boland (Secretary BNJCA), Aaron Mills (Male JDOC) and Jeff Thomas from Queensland Cricket.

Geoff Cowles OAM– Life Membership

Life Membership is a privilege and an honour for a person to receive and Geoff Cowles OAM certainly fits into that category. At BNJCA 2021 we welcome Geoff as our latest Life Member.

Geoff commenced assisting the Rules committee back in 1999 and has continued on to being the head guru when it comes to the right wording to be recorded into our rule book on any rule change. The wording explanation of a Rule has to be clearly constructed such that it is able to be read and understood by all. Geoff is excellent at that task.

Geoff has also been a stalwart of Ferny Districts Cricket club for many years, receiving life membership at the club.

His work in the canteen is well known and his attention to detail for the club stats into MyCricket is legendary.

His strong support for BNJCA running the Ian Healy Cup has been excellent with the Ferny club hosting teams on 2 ovals every year with Geoff being host at the canteen for the week.

Congratulations Geoff on your Life Membership, well deserved recognition of your efforts.

New shade shelters, tables and chairs for Kalinga Park

Kalinga Park 2, 3 and 5 have been upgraded to the revolutionary new synthetic surface 'SimTurf'! This product sold exclusively through Keith Dudgeon Cricket Specialists represents a synthetic surface that reproduces the variable bounce and turn of a turf wicket without any pain-staking preparation and expense. The BNJCA Management Committee looks forward to this new surface allowing our Juniors to better prepare them for playing on turf at older age groups, Representative Tournaments and Senior Cricket in the future.

**Independent Audit Report
To the Members of Brisbane North Junior Cricket Association Inc.**

Scope:

I have audited the financial report, being a special purpose financial report, of Brisbane North Junior Cricket Association Inc. for the year ended 30th June 2021. The committee is responsible for the financial report and has determined that the accounting policies used are appropriate to meet the needs of the Associations Incorporation Act (Qld) and are appropriate to meet the needs of the members. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act 1981 (Qld) and the Association's constitution. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination on a test basis, of evidence supporting the amounts and other disclosures in the financial report. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in note 1 so as to present a view which is consistent with our understanding of the association's financial position and performance from its operations. These policies do not require the application of all accounting standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion:

In my opinion the financial report of Brisbane North Junior Cricket Association Inc. presents a true and fair view of the financial position of Brisbane North Junior Cricket Association Inc. as at 30th June 2021 and the results of its operations for the year then ended in accordance with Australian Accounting Standards and the Association Incorporations Act (QLD) 1981 as amended.

Date: 4th August 2021

DON RICHARDS
Chartered Accountant

STATEMENT BY MEMBERS OF THE COMMITTEE

The Committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the financial report as set out on the following 4 pages:

1. Presents a true and fair view of the financial position of the Brisbane North Junior Cricket Association Inc. as at 30 June 2021 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the Brisbane North Junior Cricket Association Inc. will be able to pay its debts as and when they fall due.

This statement is signed for and on behalf of the Committee by:

Secretary..... (Mr Bruce Boland)

Treasurer..... (Mr Anthony Bath)

**BRISBANE NORTH JUNIOR CRICKET ASSOCIATION INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021**

The financial statements cover Brisbane North Junior Cricket Association as an individual entity. Brisbane North Junior Cricket Association is a not-for-profit Association incorporated in Queensland under the Associations Incorporation Act (QLD) 1981 (as amended by the Associations Incorporation and Other Legislation Amendment Act (QLD) 2007) ('the Act').

The principal activities of the Association for the year ended 30 June 2021 were the administration of junior cricket in the north Brisbane region.

The functional and presentation currency of Brisbane North Junior Cricket Association is Australian dollars. Comparatives are consistent with prior years, unless otherwise stated.

1. Basis of Preparation

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2. Summary of Significant Accounting Policies

(a) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

(c) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Donations

Donations and bequests are recognised as revenue when received.

Other Income

Other income is recognised on an accruals basis when the Association is entitled to it.

(d) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of assets and liabilities are shown inclusive of GST.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received

(f) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Depreciation

Property, plant and equipment, excluding freehold land are depreciated on a reducing balance basis over the assets useful life to the Association, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter or either the unexpired period of the lease or their estimated useful life.

(g) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of assets and liabilities.

3. Cash and cash equivalents	2021 \$	2020 \$
Cash at bank and in hand	229,638	295,689
4. Property, plant and equipment	2021 \$	2020 \$

Closing Balance	351,091	340,063

6. Contingencies

In the opinion of the Committee of Management, the Association did not have any contingencies at 30 June 2021.

7. Events Occurring After the Reporting Date

The financial report was authorised for issue on 1 July 2021 by the Committee of Management.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Summary of Awards 20-21

The Spirit of Cricket Award

NO NOMINATIONS MET THE CRITERIA THIS YEAR

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The Spirit of the Game involves respect for:

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

The BNJCA supports the Spirit of Cricket, as embodied in the preamble to the Laws of Cricket, in a tangible way, with a Spirit of Cricket Award. The Association accepts nominations from clubs for a player displaying the true spirit, traditions, and values of cricket. The player must be playing in a BNJCA competition. This award does not apply to adults.

In order for a club to nominate a player, the action must be at the player's instigation, not a result of an adult's intervention. The nomination can come from anyone involved in the game; other players, umpire, coach or spectators, but must be made through the affiliated club of the nominating person.

Above: Our BNJCA girls winter warehouse kit for 2021

Warehouse Cricket Association's female cricket program completed its fourth year. Brisbane North Junior Cricket Association are proud sponsors of the Winter Girls Championship as a part of our commitment to growing Girls Cricket in the region. BNJCA again had teams in this competition. Games were played at the Kalinga Park fields. The match dates for the Winter Girls Championship included the format using T40 and T20 Competitions to provide 10 matches across the 7 Rounds. The expanded competition includes access to turf, full colour clothing and now live-streaming which will see Winter Girls Cricket Revolution go to the next level!

The Lord Mayor's Cup 2021 Won by BEARS

12 months ago, BNJCA President Ian Reeves challenged the Committee to create a Representative Girls Cricket Tournament to be hosted by Brisbane North Junior Cricket Association and the Lord Mayor's Cup was born.

U13 Girls from across South East Queensland competed for the right to be the inaugural winners of this U13 Female Development Carnival. All matches were live-streamed to an audience grateful to be able to be involved despite the negative impacts of COVID.

The Lord Mayor's Cup, was contested by 4 teams with games played at Kalinga Park grounds. The BEARS were the eventual winners this year defeating the Sunshine Coast. Brisbane North Maroon were 3rd overall with our other BN Blue team coming in at 4th Place.

BNJCA established an amazing Canteen providing healthy and nutritious food to the hungry participants and their families over the course of the 3 days. This was due to massive efforts of the Bailey family (Renee, Indiana and Matilda) who were absolute superheroes across the competition.

An extra special thanks to all of the girls who participated. The growth that was clear to see in all the girls across the course of the 3 days, made every hour spent preparing and running the event worthwhile. Preparations have already begun for next year International and Inter State teams interested in competing in the Lord Mayor's Trophy in 2022!

The Ian Healy Cup 2021

Won by Metropolitan South West - Blue

This is played as an U12 Development Carnival organised by Albany Creek Cricket Club each year, hosted by Brisbane North Junior Cricket Association. The carnival commenced in 1999 and this year we were fortunate to have Ian Healy available to present his trophy to the winners. The past winners of the Ian Healy Cup are

2003	Eastern Districts	2004	Redlands
2001	Beaudesert	2002	Beaudesert
1999	Brisbane North Gold	2000	BEARS Gold

The Ian Healy Cup was contested by 12 teams this year with four games played at Albany Creek grounds and the other two at Ferny Reserve. MSW Blue were the eventual winners this year defeating the BEARS Gold. Brisbane North Blue were 3rd overall with our other BN Maroon team coming in at 5th Place.

We also need to say a big thank you to our team of volunteers Kathy Casey first and foremost – draws, umpire contact, team contact, grounds controller, statistician, MyCricket guru, equipment co-ordinator, trophy polisher, certificate laminator, communications centre, facilities manager and maintenance crew, mediator, transportation services – the list is endless. Thank you.

Thanks also to the Albany Creek committee for their assistance throughout the week in preparing and delivering meals and opening school toilets.

Thank you also to Ferny Cricket club and their staff for looking after the two games each day at their fields.

The BNJCA Management Committee is proud to announce the inaugural offering of the 'Diggers Cup' in November 2021. This U12 Boys T20 Competition will be held on the fields bordering 'Diggers Drive' at Kalinga Park on two consecutive Sunday's (7th and 14th) in November 2021. Those who are familiar with the area will know that Diggers Drive was actually constructed by returned servicemen after the Great War (WW1). As such it stands as a reminder of not just those that gave all for their country. But also, as a reminder that many who return continue to give long after the official conflict ends.

We are excited to see the boys display their skills on the fields of Kalinga Park as we embrace the T20 format in this Association based competition. In some ways we see it as symbolic of the next generation engaging in the format that has defined their generation under the watchful vigilance of those that have gone before.

The 'Diggers Cup' will feature BNJCA u12 boys' Representative sides in addition to invitational teams from other Associations. Over 2 consecutive Sunday's, teams will play a series of 3 pool games before moving into a Finals series to determine the winners and subsequent placings.

Players and coaches will receive a 'Diggers Cup' lapel badge struck specifically for the event. Diggers Cup - We Remember

Our new mower, purchased to keep the Kalinga Park ovals in top condition.

Champion Player Awards 2020-21

In the Champion Player Award, the points were awarded as shown in the table below and were able to be tabulated straight from MyCricket player stats. It was obviously extremely important that the player stats are entered for every game otherwise a player may miss out on the award. A Trophy for each competitive age group, from 13 to Open is awarded and their name is then added to the Perpetual Trophy for that age group. Both Pre-Xmas and Post-Xmas competitions had separate awards and there is a separate Perpetual Trophy for each age group.
