President's 2017-18 report

Season 2016 -2017, sensational. What a season for Brisbane North. It was a very special and innovative season with the introduction of girl's cricket along with all the other successful events that took place.

A newcomer elected to the Brisbane North Management committee for Season 2016-2017 Robert Bailey arrived with a passion to introduce Girl's Cricket as a separate competition, a stand-alone girl's competition. He organised Girl's Cricket Camps prior to Christmas at three cricket centres and the camps were so successful that from there the participation numbers for the girls began to grow.

So much so, that two competitions were introduced post-Christmas, a Girl's 10-11 Age Group and a Girls 12-13 Age Group. These competitions turned out to be most successful and from these competitions two Brisbane North Girl's Representative Teams were selected to play at Tingalpa in the Queensland Cricket organised Heat competition.

We gained exposure for our activities in girls cricket on Channel TEN news and Cricket Australia commissioned a company named TheHUB to film a 'Case Study' on our girls competition which was broadcast worldwide. Well done Robert Bailey.

This brings me to say, nothing happens without volunteers. A huge, huge, thank you to all the people on our Management Committee who put up their hands and volunteer to do the required tasks to ensure the Brisbane North Cricket Association is operable and that all affiliated clubs participate in the competition. The Brisbane North Management Committee does probably 3/4 of its work before a single ball is bowled setting the competition up for the coming season. Likewise at Club level also budgets are set, grounds are inspected, gear is bought, coaching programs are developed, nets are renovated, players are registered, teams are formed, coaches are appointed, training times are set, balls and equipment are checked, cleaned, purchased and assembled, coaches and managers meetings are organised - and all of this is done by wonderful people who have jobs and lives and families (and their own children) to take care of. Thank you to all, you are all an inspiration.

In the lead up to the Representative part of the season the Under 14 Anstey La Frantz Shield was won by the Tigers and the Under 13 Reevesie Cup was won by the Thunder. Our young cricketers strive to be selected to play in these competitions as they are a forerunner for Representative selection for Brisbane North. Our Under 12s in Cairns and our Under 15s in Bundaberg both won the 2016 QJC State Championships. Our Under 13 Development team in Ballina were declared joint winners in most unusual circumstances as the final was abandoned.

Our long serving Committee man Glyn Netto has announced his retirement from the Brisbane North Management committee. We thank Glyn for his contribution to junior cricket over some 30 odd years. What a huge contribution Glyn.

After many years we have found new accommodation that we can call home. Commencing from this coming season we will share the new AFL building at Brendale and we look forward to a long and successful tenure at the new premises.

Draw Committee 2017-18 report

Total player numbers for the whole season dropped a little this year from 3894 in 2015-16 to **3519** in 2016-17. Clubs affiliated with BN stayed at 16. I have included a table after this report which shows our growth over the past 6 years from 2012 to 2017.

The reduction in player numbers allowed us some breathing space in the draw and with the minor increase in oval numbers this year, it meant we were able to play most games on Saturday morning and again only had to have U14 played on Saturday afternoon. Thanks to Cricket Australia and Queensland Cricket for their financial assistance through grants of 1/3 of the cost, enabling the installation of 3 new pitches at Strathpine West State School, Mango Hill State School and Bountly Boulevard State School. We are also hoping for success in obtaining another oval through Burpengary Cricket Club and we are investigating possible access to the old Northstar ovals at Zillmere.

I often get asked why we don't play more games on Saturday afternoon and the reason is quite simple, no ovals. District cricket, sub-district cricket, warehouse cricket and church cricket are all played on Saturday afternoon and the vast majority of ovals we use on Saturday morning are being used by these organisations in the afternoon. It is only State School ovals which are usually available and most of these are too small for older age groups. As mentioned earlier we were able to obtain some extra ovals this year. We got 3 ovals for Saturday morning use at Nudgee College, Boondall, an extra oval at Alf Shaw Park, Strathpine and two ovals at Jubilee Park, Ashgrove for girls use.

We introduced an all-girls competition this year after Xmas with 10 teams participating in an U10-11 Ferling draw and U12-U13 Perry draw. We mainly used Jubilee Park and Kalinga Park for these games. The 2 separate competitions, Pre and Post Xmas, were run again this year as it has proven to enable an efficient progression from high participation numbers before Xmas to much lower numbers after Xmas. Fortunately we did not lose any time to rain this season but there was some time lost with the excessive heat in February.

Clubs need to increase pressure on their officials to do the right thing by their players and enter game results and player stats into MyCricket in a timely manner. It has been constantly highlighted at every BNJCA meeting and is clearly stated in the rules that penalties apply for failure to comply with MyCricket statistics entry deadlines.

Thank you to the many state schools who allowed us to use their grounds during the season. I would also like to express our appreciation for the continuing support from the Brisbane City Council, Moreton Bay Regional Council, the Warehouse Cricket Association, District Cricket Clubs north of the river and a number of private schools who all make ovals available for us to use. BNJCA could not operate such a large competition without their assistance.

Finally thanks to Steve Casey and Glyn Netto for their Draw assistance, Geoff Cowles for his input to the Rules, Ian Rushton for MyCricket support and my fellow committee members for their tolerance during the year.

Bruce Boland,
Chairman, Draw Committee

Treasurer's 2017-18 report

The financial statements for the 2016/17 year record a net surplus of **\$31,940**. This was a good outcome as we had extra outlays over last year for Girls Cricket, increased Secretary payment, extra grants and a reduced registration fee amount, with less players signing on this year, giving us a substantial reduction in surplus.

Net assets were \$211,789 last year and they have increased to **\$243,857** as at 30 June 2017, providing a strong financial base for the future activities of the Association. It is unknown what the future holds regarding oval costs at schools and possible future construction of more pitches and the Association needs to be in a position in which it will be able to support these activities and the all clubs.

Player Fees & Club Affiliation fees 2017-18

The player fees structure and amount was kept the same again this year and has not increased for the past 4 years. The Saturday player fee was set at \$25 and the Super Six player fee was set at \$17.50 per season/per player. The annual BNJCA club affiliation fee was again set at \$1 per club.

Tony Bath
Treasurer

Representative Cricket Chairman's 2017-18 report

Anstey La Frantz Shield Competition

The Anstey La Frantz Shield continues to be a successful competition providing under 14 players with the opportunity to play competitive games in an environment that aims to replicate representative or senior grade cricket.

Once again the competition has thrived on the hard work of those who have put their hand up to coach and manage the players. Thanks goes to Mark Daldy (Tigers), Hamish Thompson (Lions), Dale Sherwood (Redbacks), Ray Brandt (Bushrangers) and their respective managers.

As always we strive to keep this competition relevant to the under 14 age where it was targeted at its inception, and as in previous years its success has been best measured by its popularity amongst the players who participate.

Reevesie Cup Competition

The Reevesie Cup once again proved to be a successful competition providing under 13 players with the opportunity to play competitive games on turf wickets and press their claims for representative selection.

The competition was well received as expected by the players with many stepping up to the challenge and providing an excellent opportunity for the selectors to have a look at these players in real game situations. The balance of talent across four teams has proved to be quite good and based on this we will run the same format next season.

A big thank you to Graham Clarke (Heat), Chris Mackie (Hurricanes), Aaron Mills (Scorchers), James Ireland (Thunder) and their respective managers for getting the boys prepared and also working with the requests of the selectors.

Representative Cricket Chairman

Grants Committee 2017-18 report

Each year BNJCA provides grants to affiliated clubs, to assist in bringing new fields into use and ensuring that grounds that are used by the Zone, are kept in a safe and useable condition. The Grants Policy and application form are available for downloading from the website www.bnjca.org.au

Grants approved this year totalled **\$2,000.00**. The following grants were provided to affiliated clubs in 2017-18:

17/02/18	South Pine	Albany Creek Cricket Club	\$2,000
----------	------------	---------------------------	---------

The Association successfully applied for a \$40,000 grant to implement and expand Female Cricket in our area through training camps, school visits, special coaching and coach training. We also successfully applied for 2 smaller grants of \$5,000 and \$2,000 for on-going development and support of girl's cricket.

The majority of the grant money flowed back to clubs who received \$100 per new female player. There was also a significant amount of money spent on "Come and Play" camps held at a number of locations over the Zone. Free participation shirts and caps were distributed to each player and coaching staff were all paid for their time.

Bruce Boland
Chairman Grants Committee

Clothing and Equipment Co-ordinator's 2017-18 report

This was the fourth year of use of the new clothing and equipment for representative cricket. The clothing incorporates the colours of the original 3 amalgamated zones from which Brisbane North was formed, in the form of 3 coloured lines, maroon, gold and blue, on the front of the shirt.

My wife is very happy that we have a new storage facility at the SPSA grounds, Brendale and all the stock has now been moved from my home garage to this new area. This new storage garage now holds all our stock and other assets such as shade tents and all the historical papers for Brisbane North Junior Cricket Association. It has a security system and is should be sufficient for our needs for the foreseeable future.

Unfortunately, the Association is still at a crossroads with Representative clothing, because Qld Cricket has now taken over the hosting of the U14 State championships in Brisbane and its new Talent Pathway for the U16 players means the U16 State Championships are no longer held. The larger sized clothing is now unused and the arrangement with Qld Cricket to supply our team with some clothing for the U14 carnival is on a year to year basis.

Michael Gregory
Clothing co-ordinator

Grounds Coordinator's 2017-18 report

With Brisbane North team numbers seeming to have peaked last season, we had reduced numbers this year and a less critical need for grounds. There is however, still a need for Clubs in the inner Brisbane suburbs to investigate and acquire enough grounds to fulfil their needs. Clubs like Toombul, Everton, Albany Creek, Valleys and Wilston North have a very real ground shortage, compared to their player numbers requirements, meaning most games are not played at Home grounds.

I wish to thank Valleys and Norths Seniors for the use of their two turf wickets each on Saturday mornings for BNJCA's use pre-Christmas when we desperately need wickets.

Bruce Boland
Grounds Coordinator

Girl's Cricket Co-ordinator 2017-18 report

Season 2016-17 saw Brisbane North Junior Cricket to apply a new resolve and drive to the task of developing the numbers of girls participating in our Competitions. A new portfolio for Girls Cricket was added to the Management structure in order to promote the initiative. This new approach was embodied by what some may regard as the rather ambitious goal of having 1 in 3 Junior Cricketers in Brisbane North being female by the year 2023. Throughout season 2016-17 Brisbane North succeeded in rapidly increasing its female participation numbers using a multifaceted approach characterised by the following:

Girls Cricket Competition – Term 4, 2016

In October 2016 players from 24 female players aged 10 to 12 from Valleys and Wilston-Norths came together to form the first All-Girls club based Cricket Competition in the history of Brisbane North. Over 8 rounds from October until December these teams played some highly competitive games and showed significant development across this short competition.

January All-Girls Cricket Camps – 17th – 19th January 2017

In January of 2017 3 All-Girls Cricket Camps were held at Albany Creek, Sandgate and Valleys with a total of almost 90 girls attending across the 3 sites. Support was provided by Brisbane Heat Stars Jess Jonassen, Beth Mooney and Georgie Prestwidge with the Camps even attracting the attention of Channel TEN who attended and recorded a report that featured on the news that evening. A unique assessment form and 'cricket decathlon' was used to engage parents and children alike and resulted in a significant number of girls from the camps choosing to register with clubs and join the Girls Cricket Competition.

Girls Cricket Competition – Term 1, 2017

The momentum generated through Brisbane Norths efforts and the success of the January Camps allowed the Girls Cricket Competition to be expanded in the second half of the season with players from Albany Creek, Ferny Districts, Sandgate, Wilston-Norths and Valleys forming both u10/11 and u12/13 Competitions. In total 6 teams played in the u10/11 competition with 4 teams playing in the u12/13 competition for a total of 10 girls teams making it the largest All Girls club based Competition in the history of Queensland Cricket.

Heat Girls Competition – Feb & Mar 2017

In another first for Girls Cricket in Brisbane North 2 representative teams were formed to play in the Brisbane Heat Girls League at Tingalpa on Sunday mornings between February and March of 2017. Both BNJCA teams competed well throughout the League with the A side dominating the Competition after making the required adjustments to the slightly different format.

BNJCA Foundation Girls Cricket Ball – Mar 2017

On Saturday the 25th of March 2017 we saw 165 girls, siblings and their parents attend the BNJCA Foundation Girls Cricket Ball to celebrate a successful inaugural all-girls cricket season at Broncos Leagues Club. It was attended by two HEAT players and they presented awards on the night.

Girls Winter Training

With planning already underway for Season 2017-18 and numerous girls keen to continue developing their cricket over the winter, Girls Training was created on Sunday mornings using the facilities of St Joseph's Primary Bardon. These sessions were well supported with 20 - 45 very enthusiastic girls attending and enhanced with the use of bowling machines and a focus of skills evolution in a fun environment.

Girls Training Camps 2018

Organising is underway to hold training camps again next season As a part of their registration every girl who registers for the Girls 'Come & Play' programs in August and September will receive a free shirt and cap by BeastWear. We also hope to secure a grant to cover the costs of running these camps so that all girls attending will be at no cost to parents.

Coaching courses 2017

We have worked closely with Queensland Cricket to create a Girls Competition Community Coaching course, held over 2 weeks and will be based at Qld Cricket headquarters Albion with the 16th July being theory and the 23rd July forming a practical component. It is open to both males and females who wish to be part of the expansion of girls cricket in the Brisbane North region in 2017-18. Again we are working to make this course free of charge for Brisbane North participants.

We hope to continue this expansion next season with involvement of more BN affiliated clubs, possible representative carnivals, more training initiatives and developing girl's coaches within the clubs.

Patron's Message

Congratulations to BNJCA and Coaches for another successful junior cricket season.

The passion and effort reflect the important role this committee has played in the achievements of Brisbane North over many years with an increase of nearly 140 teams since the introduction of the Super Six matches which commenced in 2011.

This is a testament to the innovation of playing a mini form of cricket which has allowed players to form a love and understanding of the game at an early age. The success is evident by the overwhelming popularity and retention rate of children in this zone.

There are exciting times ahead with the handover of the clubhouse at the Kalinga Park fields next season. To have your own headquarters is also a major achievement which has taken many hours of time and negotiation with Council.

I wish the Brisbane North Junior Cricket Association Committee all the best for another successful season.

ELECTION OF LIFE MEMBER:

Life Membership is the greatest honour any Association can bestow upon a person. Tonight the Management Committee is nominating John Powell for Life Membership of the Brisbane North Junior Cricket Association (BNJCA).

John, or as we know him JP, spent the early years of the 2000s at Pine Rivers Cricket Club with his son Brad and was appointed to the position of Vice President in 2006. Then, in 2007 he was elected to the position of President of Pine Rivers Junior Cricket Club. During his 2 years of Presidency the Senior Club was going through some very tough times financially and JP to his credit along with his Junior committeemen, Adrian Raven and Richard Clay, managed to ensure the Senior body survived the hardship and got them back into a viable financial position that allowed them to survive. Also he worked very closely with The Lakes College and they fielded some combined teams with them in the BNJCA, helping them become established. In season 2010 - 2011 The Lakes Cricket Club became an affiliated BNJCA Club. During this period he was the Pine Rivers delegate to the BNJCA.

In 2009 JP went to Ballina as the Manager of the Under 13 BNJCA Development team coached by "Reevesie" (myself) and he certainly enjoyed the week immensely. Here is where the memories of the bus trip home from Ballina in January 2009 kick in. He enjoyed the experience so much that he wanted to know what he would have to do to get involved in Coaching Representative teams in the future. It was an enjoyable trip home, questions and more questions; JP wanted to know everything about BNJCA. Having enjoyed the initial experience so much he continued to manage BN Representative teams through to the Under 16 team in 2011-2012.

During the time spent as a manager, in typical JP fashion, he not only acquired Coaching qualifications, culminating in his Level 2 Coaching Certificate, he also acquired valuable experience along the way by coaching club teams, Lords Taverners at Norths and was also involved in Senior Coaching at Northern Suburbs Cricket Club. He was appointed coach of the BNJCA Under 16 Championship team in December 2015 and they, under his tutelage, won the State title at the Queensland Junior Cricket State Championships.

Well you would think that he was very busy doing all this Coaching and Managing teams, well he was. However at the same time all this was happening he was elected to the BNJCA Management Committee in 2011 and the following year 2012 he was elected as BNJCA Vice President, a position he still holds today.

The Association is growing rapidly, 370 teams with playing numbers of 3,758 so there is much to do to ensure BNJCA operates effectively and JP in 2015 was given the task of restructuring the Management Committee and assigning portfolios to the committee members. This he has done very professionally and successfully, as is done in the business world. JP has been designated the Director of Coaching portfolio which he has taken to with great gusto and energy.

His most recent foray into Coaching was when he was approached by Queensland Cricket (QC) and asked to Coach one of the 4 teams of the QC Bulls Rookie Challenge in April 2016.

JP is held in very high esteem and I am sure I am not alone when I say this as I believe his fellow committeemen also have total respect for him and for the passion that he brings to the association.

He has a keen sense of humour and is quick witted with his repartee. As we know in our true Australian style, when we have so much respect for our colleagues, or should I say close friends, who I consider JP to be, then one designates a nick name, well I call him 'the genius' because that is exactly what he is and not only that but it is his passion that he brings in his quest to provide the best opportunities for our young cricketers. One could go on and on about his contribution to cricket and BNJCA but we would be here all night, so to finish, with his input to BNJCA, with an enormous amount of time and energy and his professionalism I give you our latest Life Member and deservedly so, John Powell.

Ian Reeves nominated **John Powell** as a Life Member.

The Spirit of Cricket Award

The Spirit of Cricket Award

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The Spirit of the Game involves respect for:

- *Your opponents*
- *Your own captain and team*
- *The role of the umpires*
- *The game's traditional values*

The BNJCA supports the Spirit of Cricket, as embodied in the preamble to the Laws of Cricket, in a tangible way, with a Spirit of Cricket Award.

The Association accepts nominations from clubs for a player displaying the true spirit, traditions, and values of cricket. The player must be playing in a BNJCA competition. This award does not apply to adults.

In order for a club to nominate a player, the action must be at the player's instigation, not a result of an adult's intervention. The nomination can come from anyone involved in the game; other players, umpire, coach or spectators, but must be made through the affiliated club of the nominating person.

Champion Player Awards 2016-17

In the Champion Player Award, the points were awarded as shown in the table below and were able to be tabulated straight from MyCricket player stats. It was obviously extremely important that the player stats are entered for every game otherwise a player may miss out on the award. A Trophy for each age group, from 11 to Open is awarded and their name is then added to the Perpetual Trophy for that age group. Both Pre-Xmas and Post-Xmas competitions had separate awards and there is a separate Perpetual Trophy for each age group.
